TOWN AND COUNTY.

CLUB ORGANIZED.-H. E. Chamberlaine writes to the Bulletin, under date of the 8th iust .: On January 15th, Mr. J. Camp bell. State Deputy, appointed by the National Grange of the Patrons of Husbandry, called a meeting of the farmers of Clackamas County and organized a Subordinate Grange.

This is an Order which has been in successful operation among the farmers of the older States during the last five years; but this is the first effort to establish the Order on this Coast. The principal advantage to be derived from the organization is that it unites the farmers, thus en abling them to co-operate with and protect each other. The Institute is yet in its infancy here, but reliable men are preparing to canvass the State during the coming season, and before Fall we hope to see the farmers of the entire Willamette Valley united in similar Societies for mutual protection and for the advancement of agriculture.

Any inquiries respecting the Order will be cheerfully answered by addressing the Secretary, W. G. Welch, or the State Deputy Campbell, at Clackamus P. O., Clackamas county, Oregon.

"What can't be cored must be endured," says the proverb; but indigestion can be be the largest load ever brought into the cured, and therefore it is the merest stapidity to endure it. Dyspeptics have certainly RETURNED.-We notice on our streets a right to continue dyspeptics to the end of the smiling countenance of Al.
