

Recycle it ALL, Recycle it RIGHT!

Take advantage of all of the recycling opportunities available to you, from curbside collection and office recycling to away-from-home programs like collection bins at grocery stores, gas stations, parks and other public areas.

1. Recycling saves trees.
2. Recycling protects wildlife habitat and biodiversity.
3. Recycling reduces the use of toxic chemicals.
4. Recycling helps curb global warming.
5. Recycling reduces water pollution.
6. Recycling reduces the need for landfills.
7. Recycling reduces the need for incinerators.
8. Recycling creates jobs and promotes economic development.
