Controlled burn

Siuslaw Valley performs "Burn to Learn" south of bridge

BY CHANTELE MEYER
Siuslaw News

Firefighters from Siuslaw Valley Fire and Rescue received training in fire suppression May 10 at a building on Mitchell Loop Road, two miles south of the Siuslaw River Bridge.

The burn was part of the department's "Burn to Learn" program, said Fire Marshal Sean Barrett.

"Everybody got an opportunity to go inside and practice fire suppression techniques before we burned it down," Barrett said.

The "Burn to Learn" was for recent recruits and for older firefighters as part of weekly training every Tuesday.

"Everything went really well," Barrett said.
