VIKS UNABLE TO SAIL PAST PIRATES

BY NED HICKSON
Siuslaw News

It took seven pitchers to finish Saturday's game between Siuslaw and Marshfield, with the Pirates rotating four pitchers — two alone in the fourth inning — and the Viks throwing freshman Caleb Hennessee, senior Brogan Cornish and freshman Jared Northrop in a 12-6 loss to Marshfield at John "Jiggs" Dodson Field.

Both teams generated decent

offense, with the Viks smacking six hits and scoring six runs. But the Pirates took the lion's share with 12 runs on 12 hits. Along the bases, the Viks left 14 runners stranded, with 9 batters striking out in the process.

Three of Siuslaw's runs came in the fourth inning, when a Marshfield relief pitcher walked all 5 of the batters he faced, walking in 3 runs.

Saturday's score was a season-high number of runs for the Viks, averaging 2.3 runs per game after scoring 23 runs over the last 10 games.

The loss drops the Vikings to 0-10 for the season and 0-3 since the beginning of Far West League competition last week, with all three losses coming from the Pirates (3-0).

The Viks will travel to Winston for a doubleheader against Douglas High School on Friday.

Siuslaw has only 6 home games this season — two of them doubleheaders — with the Viks' next home game set for April 25, against South Umpqua.

First pitch for Friday's game at Douglas is set for 3 p.m.

Lady Viks sunk by Pirates

BY NED HICKSON
Siuslaw News

After delays throughout the week due to poor weather and field conditions, the Lady Vikings softball team hosted a doubleheader with Marshfield on Saturday that provided the Pirates with a two-game sweep.

It was the third match-up with the Pirates that week, with Siuslaw defeating Marshfield in the Far West League opener the previous day.

NORTH COAST LAKES:

Most of the North Coast lakes were stocked with trout this week. Water temps are great and fish should be hungry.

So far this season, Town Lake near Pacific City has been stocked with nearly 200 surplus summer steelhead from Cedar Creek Hatchery. In addition, 66 early run winter steelhead were released there on Jan. 11.

Trout stocking began the week of March 20 in most district lakes. The 2017 trout stocking schedule is available online.

MID-COAST LAKES:

The trout stocking schedule for 2017 is available online and trout have been stocked in some lakes. Fishing for the various warm water fish species are slow as water temperatures remain cold. There are numerous lakes in the Florence area that can provide good opportunity.
