ADVERTISING Has created many a new business; Has enlarged many an old business; Has revived many a dull business; Has rescued many a lost business; Has saved many a failing business; Has preserved many a large business; And insures success in any business.

GIRARD'S SECRET.—Stephen Girard used to say in old age: "I have always considered advertising liberally and long to be the great medium of success in business, and the prelude to wealth. And I have made it an irrevocable rule to advertise in dull times as well as the busiest, long experience showing that money thus spent is well laid out, as by continually keeping my business before the public it has secured many sales that I otherwise would have lost."

ADVERTISE YOUR BUSINESS. KEEP your NAME BEFORE the PUBLIC. Judicious Advertising Insures A FORTUNE! If Business is dull,—ADVERTISE! If Business is brisk,—ADVERTISE! The man who didn't believe in advertising has gone into partnership with the Sheriff, and that official does the advertising.
