John A. Devlin has bought Brown & McCabe's steamer the Mikado. She will run between Astoria and Westport.

The first Oregon state firemen's tournament was held in this city July 4, 1882, the year in which the association was organized.

The first runaway occurred at 9:15 yesterday morning, the horse going southward down Cass street, rod iron spilling from the wagon in every direction.

If every precinct in the state increased its vote in the same proportion as the court house precinct did, there were 107,000 votes cast in the entire state.

There was less slush and personalities in the state press during the late campaign than ever before, an encouraging exhibit of self-reliance on the part of newspaper men.

The body of an unknown drowned man, came ashore at Sand island yesterday. Acting coroner Surprenant will go down this morning to see if the remains can be identified.

The rain yesterday morning which threatened to make a muggy day, cleared away as the day advanced, and the greater part of the day was as pleasant as a day could well be.

The consolidation of precincts 1 and 2 gave the election clerks at the court house considerable of a job last night and this morning. There were 779 votes cast, and the vote was not yet counted when this paper went to press at four o'clock this morning.

The Cunard steamship Etruria which left Queenstown at 1:05 p. m. on May 27th, arrived at the bar at 1:05 a. m. on the 29th inst., thus making the voyage in six days, two hours and fifteen minutes. This beats the record of six days, four hours and forty-two minutes, made in May, 1887, by the steamship Umbria.

There was an appreciative audience at the opera house last evening to see Jeffreys-Lewis and her company in the fascinating play of "La Belle Russe," which was admirably presented. To-night will be given the great drama of "East Lynne." Reserved seats at the New York Novelty Store.

FROM THE STATE.

Hermann and a' Republican Legislature Elected.

PORTLAND, June 4, 10 P. M.—The Republicans confidently claim the election of Hermann for congress by not less than 1,500 majority. The legislature is also claimed by Republicans on joint ballot but this opinion is largely conjectural. Owing to the length of the ticket the count proceeding very slowly up to 10 o'clock, no returns have been received from any outside precincts.

PORTLAND, June 4, 11 P. M.—It is now confidently claimed that Hermann's majority for congress will be not less than two thousand. The Republican claim more Republican legislators and estimate the legislature at from 10 to 14 on joint ballot. The count and proceeding very slowly and the returns are tardy.

THE VERY LATEST. PORTLAND, June 5, 2 A. M.—The very latest returns from all the principal points in the state do not materially change the estimate. The returns are yet very fragmentary. L. T. Barin, the chairman of the state central committee has just been interviewed. He has the best facilities for knowing the true state of affairs. He said, "From the very best and latest sources of information I estimate Hermann's majority on state for congress between 2,000 and 2,500. On joint ballot I feel confident that Republicans will have all the way from 6 to 10 majority. There is no doubt but Oregon will give a round Republican majority in November no difference who is the nominee."

A Warning. The modes of death's approach are various, and statistics show conclusively that more persons die from diseases of the Throat and Lungs than any other. It is probable that every one, without exception, receives vast numbers of Tubercle Germs into the system and where these germs fall upon suitable soil they start into life and develop, at first slowly and is shown by a slight tickling sensation in the throat and it allowed to continue their ravages they extend to the lungs producing Consumption and to the head, causing Catarrh. Now all this is dangerous and if allowed to proceed will in time cause death. At the onset you must act with promptness; allowing a cold to go without your attention is dangerous and may lose you your life. As soon as you feel that something is wrong with your Throat, Lungs or Nostrils, obtain a bottle of Boscbee's German Syrup. It will give you immediate relief.

An editor, who has grown gray in the service, slowly chants the following truthful requiem: "The man who handles the local department of a newspaper, learns after due experience not to expect even briefly expressed thanks for a column of pleasant things, but he knoweth as surely as cometh the winter that a single line in which there is an unintentional misrepresentation, will cause some one to be heard from as on a house top. And we may add that when he has made pleasant mention 999 times of some person, place or thing, but on the thousandth time fails to do so, he must not expect to be forgiven. The omission may have been from accident, inadvertence or even an entire lack of knowledge. It matters not. The simple fact remains and he will be judged by that."

Their Business Booming. Probably no one thing has caused such a general revival of trade at Jno. C. De-nement's Drug Store as their giving away to their customers of so many free trial bottles of Dr. King's New Discovery for Consumption. Their trade is simply enormous in this very valuable article from the fact that it always cures and never disappoints. Coughs, Colds, Asthma, Bronchitis, Croup, and all throat and lung diseases quickly cured. You can test it before buying by getting a trial bottle free, large size \$1. Every bottle warranted.

YESTERDAY'S ELECTION.

The Result up to Three O'clock This Morning.

There was a large vote polled in this city yesterday, the court house precinct alone piling up 779 votes, the inducements in that precinct being peculiarly seductive to those desirous of embracing the opportunity.

The day was, in general a quiet one. The polls closed promptly at six, and the streets were crowded until two o'clock this morning by people awaiting with impatience the latest returns.

M.) the indications are that the greater part of the Republican county ticket is apparently elected, including representatives, commissioners, treasurer, etc. W. G. Ross is undoubtedly elected sheriff, and it promises to be a very close vote between Dunbar and Trenchard.

For First Place. A great amount of political engineering will be done by friends of candidates to secure for their man the first place on the ticket, and the best man will probably secure the coveted place. Then if endorsed by the majority of the people, the election is assured. PERSONAL MENTION.

Dr. J. A. Fulton left last evening on a month's visit to Nebraska.

An Explanation.

What is this "nervous trouble" with which so many seem now to be afflicted? If you will remember a few years ago the word Malaria was comparatively unknown,—to-day it is as common as any word in the English language, yet this word covers only the meaning of another word used by our forefathers in times past. So it is with nervous diseases, as they and Malaria are intended to cover what our grandfathers called Billiousness, and all are caused by troubles that arise from a diseased condition of the Liver which in performing its functions finding it cannot dispose of the bile through the ordinary channel is compelled to pass it off through the system, causing nervous troubles, Malaria, Billious Fever, etc. You who are suffering can well appreciate a cure. We recommend Green's August Flower. Its cures are marvelous.

When You Go to Portland Frank Fabre, occidental hotel restaurant, will be glad to see his Astoria friends. A good dinner at a moderate price and everything in season.

SORE FROM KNEE TO ANKLE.

Skin entirely gone. Flesh a mass of disease. Let disease drain out one third in size. Condition hopeless. Cured by the CUTICURA REMEDY. For three years I was almost crippled with an awful sore leg from my knee down to my ankle, the skin was entirely gone, and the flesh was one mass of disease. Some physicians pronounced it incurable. It has diminished about one-third the size of the other, and I was in a hopeless condition. After trying all kinds of remedies and spending hundreds of dollars, from which I got no relief whatever, I was persuaded to try your CUTICURA REMEDY, and the result was as follows: After three days I noticed a decided change for the better, and at the end of two months I was completely cured. My flesh was purified and the bone which had been exposed (for over a year) got sound. The flesh began to grow, and to-day, and for nearly two years my leg is as well as ever. It was, sound in every respect, and not a sign of the disease to be seen. S. G. AHERN, Dabois, Dodge Co., Ga.

Terrible Suffering From Skin Diseases. I have been a terrible sufferer for years from diseases of the skin and blood, and have been obliged to shun public places by reason of my disgusting humors. I have had the best of physicians and spent hundreds of dollars, but got no relief until I used the CUTICURA REMEDY, which has cured me, and left my skin as clear and my blood as pure as a child's. I DA MAY BASS, Olive Branch P. O., Miss.

From 145 pounds to 172 pounds. I have taken several bottles of CUTICURA RESOLVENT with all the results I could wish for. About this time last year, when commencing its use, I weighed 145 pounds, and to-day I weigh 172 pounds. G. O. CAMPBELL, Washington, D. C.

CUTICURA, the "great skin cure," and CUTICURA SOAP, an exquisite Skin Beautifier, externally, and CUTICURA RESOLVENT, the new Blood Purifier, internally, are a positive cure for every form of Skin and Blood Disease from Pimples to Scrofula.

Sold everywhere. Price, CUTICURA, 50c.; SOAP, 25c.; RESOLVENT, \$1. Prepared by the CUTICURA MANUFACTURING ASSOCIATION, 64 pages, 50 illustrations, and 100 testimonials. Send for "How to Cure Skin Diseases."

BABY'S Skin and Scalp preserved and beautified by CUTICURA MANUFACTURED SOAP.

Constitutional Catarrh.

No single disease has entailed more suffering or hastened the breaking up of the constitution than Catarrh. The sense of smell, the sense of sight, the hearing, the human voice, the mind—one or more, and sometimes all, yield to its destructive influence. The poison distributes throughout the system attacks every vital force, and breaks up the most robust of constitutions. Ignored, because but little understood, by most physicians, promptly assailed by quick and certain remedies, those suffering from it have little hope to be relieved of it this side of the grave. It is, therefore, the most popular treatment of this terrible disease by remedies within the reach of all passed into hands at once competent and trustworthy. The new and hitherto untried method adopted by Dr. Sanford in the preparation of his RADICAL CURE has won the hearty approval of thousands. It is instantaneous in affording relief in all head colds, sneezing, snuffling and obstructed breathing, and rapidly removes the most oppressive symptoms, clearing the head, sweetening the breath, restoring the senses of smell, taste and hearing, and neutralizing the constitutional tendency of the disease towards the lungs, liver and kidneys. SANFORD'S RADICAL CURE consists of one bottle of the RADICAL CURE, one box of CATHARTIC SOLVENT, and IMPROVED ISHALK; price, \$1.00.

KIDNEY PAINS, Strains and Weaknesses,

Relieved in one minute by that marvellous Antidote to Pain, Inflammation and Weakness, the CUTICURA Anti-Pain Finster. The first and only pain-killing strengthening plaster. Especially adapted to instantly relieve and cure Kidney and Uterine Pains and Weakness. Warranted superior to all other plasters. At all drug stores. 25c. per box. Prepared by POTTER DRUG AND CHEMICAL CO., Boston, Mass.
