No One Need Remain A Dyspeptic.

Remain A Dyspeptic.

"I have been suffering for over two years with Dyspepsia. For the last year I could not take a drink of cold water nor eat any meat without vomiting it up. My life was a misery. I had had recommended Simmons' Liver Regulator, of which I am now taking the second bottle, and the fact is that words cannot express the relief I feel. My appetite is very good, and I digest everything thoroughly. I sleep well now, and I used to be very restless. I am fleshing up fast; good strong food and Simmons' Liver Regulator have done it all. I write this in hopes of benefiting some one who has suffered as I did, and would take oath to these statements if desired."
