The Weekly Asterian, the second eldest to the Portland Oregonian, the largest weekly circulation in the state.

Strange as it may seem, there are n reports of Clatson even has of Clatof the California and the extra defor the supplying of the troops on the coast, there reason why careful estimates should be made of Oregon and Washington cereal crops. It is believed that hereafter the Chamber of Commerce will comalle such important statistics.

Had the Nicaragua canal been built by the United States when it should have been, today we would have been in com plets possession of the West and East The Oregon would have long ago been with Sampson's fleet, and it would have been an easy matter to exchange ships between the Atlantic and Pacific as required. In prestige, and stragetic post- commercial, public on this side of the tion, the government has, since the beginning of the present war, lost more than of arrival, and the "special" cablegrams the cost of the building of the canal, and had we had the canal, affording quick munications with the other side has also communication between the two coasts by sea, the war might never have occured.

Dun and Company's weekly review says aid begin by having a bad half but

law. The same spirit which prompted that act has been the characteristic fea ture of his administration. He has charged the state two dollars for each official seal placed upon its deeds-a charge that Sec retary McBride never dreamed of mak ing. He fitted up in palatial elegance for his own private use rooms in the capitol times as much money. building that his predecessor occupied

plainly but substantially furnished. In-.60 stead of giving each county of the state a representation upon the payrolls in pro nortion to the taxes haid, as instice would dictate, he has so made his appointments that nearly all the salaries over which he had control have gone to residents o Lane county or to personal relatives

He has refused to perform many duties of his office when advised to do so by the there the largest circulation of any news-paper published on the Columbia river. Atterney General, thus compelling mandamus proceedings to be brought agains

him, which, in every instance, have resulted in a judgment against him. Thus delay, trouble, injustice and expense have seekly in the state of Oregon, has, next been entailed. These, and many other acts, have led the Republican party to woudlate him. When he saw that the Renubleans would refuse him a renomination

he left the party and went over to the fusionists. Instead of saying to the Republicans, as a man of honor would have "Boys, I cannot agree with you on principles, and cannot support your ticket this campaign."-instead of saying that he said: "The Rpublicans won't support me any longer, so I will go over to the fusionists-it is my only hope." He asks the support of the People's party when he ha seen so corrupt that the Republican parts fired him out of its ranks. He is a fusion ist for revenue only, and the tax-payers of
