THE NEW EVIL OF TEA-SMOKING. Physicians in various parts of the counry report an slarming growth of teamoking. The habit is contracted by those whose nerves are disordered, who can't leep, whose digestion is imperfect, whose iver is out of order, who get the 'blues' and feel their strength departing. seems strange that sufferers from the bove disorders should not cure themselves with Hostetter's Stomach Litters. This is a medicine which whets up the appetite, regulates the bowels, steadies the perves and induces sound sleep. These who take it find that it cures dys epsia, and there is no bad taste in the mouth in
