"When You Want Good Insurance Talk With Billings" READY FOR WORK!

The value of fire protection de-
pends largely upon the readiness of
the fireman to respond to any call
and his willingness to face any dan-
ger. The value of fire insurance
depends largely upon the readiness
of the company in which you are
insured to respond immediately to
your loss and its ability to meet any
loss which may come to it.
That's the kind we have - always
ready for work. They pay promptly
every honest loss, big or little.
Let us write your insurance and we'll
give you the kind that WORKS ALL
THE TIME.

FELICITATES CITY ON ACHIEVEMENTS

Following is the address of wel-
come given to Ashland by Nathan
Strauss, chairman of the trade ex-
tension excursion of the Portland
Chamber of Commerce during their
visit in this city:

GREETING TO ASHLAND

By Nathan Strauss
(Chairman Trade Extension Excursion,
Portland Chamber of
Commerce.)

"Coming fresh from two splendid
meetings with the business men of
Medford and Klamath Falls, the
business men of Portland are gratified
today to be with the people of
Ashland, and to thank them in person
for their invitation you have
extended to us to spend the day in
this beautiful city. Although the
two cities are at the extreme north
and south boundaries of the state,
there is much in common between
us, both commercially and socially,
and surely in those things in which
we can work together for mutual
benefit and for the benefit of the
state as a whole.

"We are living in a wonderful
age. The past few years, as never
before have shown us the value of
co-operation in national matters and
in state matters. Oregon has accom-
plished for herself a record un-
excelled by any other state. It is
our desire and we know it is the
wish of the residents of Ashland that
the old-time and continuous record
of friendship between our beloved
city and yours, shall continue with
even greater enthusiasm than in the
past, if it is possible more closely
to bind the two communities in closer
relationship.

"Oregon has a great future. No
state is better favored, and in our
enthusiasm we are inclined to be-
lieve no other state has so much to
offer the world as Oregon. That
is as it should be. Loyalty to our
state, enthusiasm in her develop-
ment, will bring us fame and pros-
perity. It is not the mere spending
of money that accomplishes the most
good for any community. Lacking
co-operation and state loyalty and
enthusiasm, the spending of money can-
not be made to bring that full re-

turn in state development we all so
greatly desire. Euthusiasm, co-
operation and the elimination of self-
ishness has in the past few years re-
sulted in the present marvelous
growth of Oregon. It is good to see
and for us of Portland to meet with
the business people of Southern Ore-
gon.

PREACH AMERICANISM OF THEODORE ROOSEVELT

On the summit of a peak in the
Black Hills of South Dakota stands
a tower bearing the simple inscrip-
tion, "To Theodore Roosevelt—the
American." No further designation
is, indeed, necessary. Theodore
Roosevelt was a statesman, a histor-
ian, a journalist, a big game hunter,
a naturalist, an explorer, but in and
above all he was an American, whose
ruling passion was his country. He
served his country with every side
of his versatile being. He rescued
from oblivion a domantic era of her
history; he studied her wild animals
and birds and gave them sanctuaries;
he redeemed her deserts; he strug-
gled for law and order on her fron-
tier, and for humanity in her slums;
he fought for the honor of her flag,
in war and peace, abroad and at
home, with pen and sword and the

OLD AGE STARTS WITH YOUR KIDNEYS
Science says that old age begins with
weakened kidneys and digestive organs.
This being true, it is easy to believe
that by keeping the kidneys and dig-
estive organs cleansed and in proper
working order old age can be deferred
and life prolonged far beyond that en-
joyed by the average person.
For over 200 years GOLD MEDAL
Haarlem Oil has been relieving the
weakness and disability due to ad-
vancing years. It is a standard old-
time home remedy and needs no intro-
duction. GOLD MEDAL Haarlem Oil is
enclosed in odorless, tasteless capsules
containing about 5 drops each. Take
them as you would a pill, with a small
swallow of water. The oil stimulates
the kidney action and enables the
organs to throw off the poisons which
cause premature old age. New life and
strength increase as you continue the
treatment. When completely restored
continue taking a capsule or two each
day. GOLD MEDAL Haarlem Oil Caps-
ules will keep you in health and vigor
and prevent a return of the disease.
Do not wait until old age or disease
have settled down for good. Go to your
druggist and get a box of GOLD
MEDAL Haarlem Oil Capsules. Money
refunded if they do not help you. Three
sizes. But remember to ask for the
original imported GOLD MEDAL brand.
In sealed packages.

"We run with the torches until
we fall," said Theodore Roosevelt,
"content if we can then pass them
on to hands of other runners."
Theodore Roosevelt has fallen.
Other runners must carry his torch.
Men and women, working in every
state of the Union, for a national
memorial to Theodore Roosevelt, are
the natural torch-bearers. Only
such should be chosen as are them-
selves altogether American at heart,
scorning the thought of divided al-
legiance; and those chosen should
conceive their task as a matter not
merely of collecting dollars for a
monument but of preaching Ameri-
canism for the greater good of their
fellow men.
