When the kidneys are inflamed and swollen, stooping brings a sharp twinge in the small of the back, that almost takes the breath away. Doan's Kidney Pills revive sluggish kidneys—relieve aching back. Ask your neighbor! Here's Ashland proof: Mrs. J. Galbraith, 136 Sherman St., says: "Some years ago my kidneys were in a bad way. At times they acted too freely, and then again not often enough. My back felt weak and lame and I was tired and languid all the time. Finally I began taking Doan's Kidney Pills, and they helped me wonderfully. They regulated the action of my kidneys, and since then, I have always used Doan's when I have felt my kidneys needed attention. They have never failed to help me."
