COUNTY Y. M. C. A.
DRAWS MUCH INTEREST
Since an article appeared in one of the Portland papers regarding the proposed organization of the Jackson County Y. M. C. A., G. H. Billings, local chairman of a committee responsible for this work, has received a number of letters of congratulation on this effort in Jackson county.

MASQUERADE BALL
SELECTS PATRONS
The committee in charge of the Grand Masquerade Ball, which is to be held at the Armory on the evening of October 29, 1920, has selected the following prominent Ashland people to act as patrons and patronesses for this big affair:

changed the law to read as follows:
"All counties, cities, school districts, and other corporations, which are vested with the power of levying taxes, shall make their total levy in dollars and cents, and not otherwise and shall so report the levy to the county assessor and county clerk as provided for in Section 264."

WHAT A "Y" WILL COST THE COUNTY
John H. Rudd, of Portland, Interstate secretary for County Y, M. C. A. work in Oregon and Idaho, who is assisting the committee in the organization of Jackson county, when asked regarding the cost of a county work, replied in this characteristic manner: "According to the Medford Sun of last Sunday, Jackson county's auto licenses for 1920 were \$14,085. It will take a little more than one-third of that amount annually to run your county Y. M. C. A. May I say this also? For the amount of money invested, I believe that county work brings larger returns to the communities investing than any other form of association work."

OLD FASHIONED HOME COMING FOR THE UNIVERSITY OF OREGON
University of Oregon, Eugene, Oregon, Oct. 29—A real old-fashioned homecoming, with lots of old time glory, is what the committees plan for the alumni and former students and friends of the university when they come back for a day on November 13th.

them out later. The plans also call for two booths on the campus, one in Johnson hall and the other in the men's gymnasium.
A special appeal is being made through the Chamber of Commerce to the citizens of Eugene for as many rooms as will be needed to take care of the crowd. A special committee has this work in hand.

I am sure that these tablets are the best medicine I have ever used. I have tried many other medicines, but they have not done me any good. I have gained the confidence of the public and my business has increased as a result of my using these tablets. I can get from having an article that I can use with perfect confidence. Nothing else will give me more than to be able to introduce Anuric to the world for the benefit of all mankind.
