**5000 IN FIVE YEARS.**  
Portland has the inspiring slogan, "5000 in five years." That is a high mark for the metropolis of Oregon to aim for, and if reached means a development and growth unparalleled in the history of American cities, not excepting Chicago.  
Enterprise has just as an inspiring slogan, "5000 in five years," and it is more possible of fulfillment than Portland's. It is not only possible; it is very probable. If we stand shoulder to shoulder as in the past, and add a little more enthusiasm, faith and work, the capital of big rich Wallowa county will have more than 5000 population in 1914.  
Faith and work can accomplish a much greater task than that. Cities don't happen; they are built up by the energy of their citizens and being alive to every opportunity to aid their growth.  
This city will have in a few weeks a splendid system of water works with as fine water as ever bubbled from a mountain spring. As a corollary to that system, the main sewer should be put in at this time. The sewer is not only needed for itself but it will make the water system more valuable and increase the water revenue.  
Send in your crop reports. Wallowa is unequalled for agriculture in all the inland Empire. Let us prove it by the figures.  
Now is the time to secure a beautiful, centrally located park in Enterprise. No better investment both from material and esthetic standpoint can be made.  
Hint to the unlucky ones in the drawings: Better land can be had for the filing in Wallowa county.

Cholera infantum Cured.  
"Something like two years ago my baby, which was then about a year old, was taken seriously ill with cholera infantum vomiting and purging profusely, writes J. F. Dempsey of Dempsey, Ala. I did what I could to relieve her but did her no good, and being very much alarmed about her went for a physician but failed to find one, so came back by Elder Bros. & Carter's store and Mr. Elder recommended Chamberlain's Colic, Cholera and Diarrhoea remedy. I procured a bottle of it, went home as quickly as possible and gave the baby a dose of the remedy. It relieved her in fifteen minutes and soon cured her entirely." For sale by Burnaugh & Mayfield.
