How to Prevent Pneumonia.

You are perhaps aware that pneumonia always results from a cold or from an attack of la grippe. During the epidemic of la grippe a few years ago when so many cases resulted in pneumonia, it was observed that the attack was never followed by that disease when Chamberlain's Cough Remedy was used. It counteracts any tendency of a cold or la grippe to result in that dangerous disease. It is the best remedy in the world for bad colds and la grippe. Every bottle warranted. For sale by the Benson Drug Co., Cottage Grove and Joe Lyons of Drain.

I take particular pains to keep the best and freshest rolled oats, Grandma's mush, Germea, morning meal, fresh corn meal and buckwheat flour. F. B. Phillips.

DEWEY.

Through the kindness of Miss Hattie Thompson a reporter had occasion to look at a copy of No. 1 Vol. 1 of "Soldiers Letter" a monthly magazine published at Manila. It is a neatly gotten up book of 40 pages, and is dedicated to the publication of matters of interest to soldiers and those who are interested in the soldiers. The title page of the magazine presents a picture of a soldier boy setting upon a box labeled "Roast Beef," in front of his tent, deeply interested in the contents of a letter from home, which he holds in his hand. The only suggestion that the "alligator" editor of this paper feels like offering the management of the "Soldier's Letter" is that the label "Roast Beef" be hereafter omitted from the title page and in its stead "Embalmed Beef" be placed thereon.

Robert McMurphey, B. Edward Hawley, F. Marion Wilkins, Jasper Wilkins, Helmus W. Thompson and Charles A. Hardy, of Lane county, Oregon, and George McMurphey, of Elkton, South Dakota have filed articles of incorporating the Calapooia-Bohemia Mining & Milling Company; duration not limited; business is to acquire, hold, lease, work and operate mines of gold, silver, copper, lead, etc, and to sell the same. Principal office Eugene; capital stock, \$300,000; amount of each share \$1; stock shall not be assessable; there shall be seven directors.—Guard, Feb 3.

Once I was a young man, now I am old, and I've never seen a girl unfaithful to her mother that ever came to be worth a one eyed button to her husband. It is the law of God. It isn't exactly in the Bible, but it is written large and awful in the miserable life of many a misfit home. I'm speaking for the boys this time. If ever one of you chaps come across a girl that, with a face full of roses, says as you come to the door, "I cannot go for thirty minutes, for the dishes are not washed," you wait for that girl. You sit right down on the door step and wait for her. 'Cause some other fellow may come along and carry her off, and right there you have lost an angel. Wait for that girl, and stick to her like a burr to a mule's tail.—Ex.

DEWEY ON EXPANSION.

The editor of a London newspaper wrote to Admiral Dewey some time ago for an expression of opinion upon Great Britain's "imperial" policy—that is her policy of establishing colonial governments over inferior races. The admiral replied, under date of December 18, as follows:

"After many years of wandering I have come to the conclusion that the mightiest factor in the civilization of the world is the imperial policy of England."

If Great Britain extends the blessings of civilization by the establishment of governments which give the natives peace and protection, why shall not the United States adopt a similar policy?—Toledo Blade.

Notice to Subscribers.—

Bohemia Nugget has made arrangements with several of the greatest papers published in the United States whereby the management of this paper is enabled to offer some rare clubbing rates to the people of this county. Don't fail to take notice of these offers. If you desire good reading matter you will certainly profit by looking up our list. In selecting these papers we have not attempted to procure a great number, but have been particular to get the best; one from each section of the county so that each subscriber could be pleased. If you want a San Francisco paper, what's the matter with the Bulletin—Bohemia Nugget and Bulletin \$1.75 per year, cash in advance. If you want an Eastern paper, the St Louis Globe Democrat will please you—Bohemia Nugget and Globe-Democrat—\$1.75. Should you desire a Colorado paper, we can fit you with the Denver Times-Sun—Bohemia Nugget and the Times-Sun, \$1.50. Bohemia Nugget and the Weekly Oregonian \$2.00 per year. Send in your subscriptions.

The Telephone System.—

The Oregonian Telephone and Telegraph Co's crew of linemen have been hard at work in this city the last few days and by the first of next week the line will be in operation. The central office has been established at the office of the Benson Drug Company, where every effort will be made to give satisfaction. The list of subscribers thus far consisting of twenty-two, is as follows: Southern Pacific Co, W. W. Treat, Chrisman & Son, Postal Telegraph office, J. S. Benson, Benson Drug Co (central office), Sherwood Hotel, Exchange saloon, Bohemia hotel, Farmers meat market, Rhodes & Son (meat market), L. Lureh, Dr. G. U. Snapp, F. B. Phillips (grocer), Elite coffee house, Resort (saloon), Eakin & Bristow, Cy Miller (blacksmith), Electric Light plant, Stone's scouring mills, and Leader office. It is only a question of a short time until the line will be extended into the Bohemia country.

Objected To.—

The citizens of Mohawk object to the County of Lane leasing said stream for a period of ninety years to the Booth-Kelley Lumber Company and have accordingly held a mass meeting, at which resolutions have been passed to that effect, claiming that it is a "transgression upon the rights of the people of Mohawk valley," and resolving "That said franchise will be contested by the citizens of Mohawk and furthermore we will neither give nor sell the right of way through our lands adjoining said river."

The Oregonian.—

And the Bohemia Nugget for \$2 per year, cash in advance. This is without doubt the greatest clubbing offer offered by Oregon newspapers today. The Oregonian is without doubt excelled by none, in point of news both local and foreign, is a clear print, and besides has that great redeeming feature, devoid of sensational and disgusting literature. Remember the two papers, the Weekly Oregonian and your home paper the Bohemia Nugget for \$2.

Grandma May Simmons, supposed to have been the oldest person in the State of Oregon, died at her home near Sodaville, February 1, 1899, having arrived at the great age of 104 years, 3 months and 12 days.

La Grippe Successfully Treated.

"I have just recovered from the second attack of la grippe this year," says Mr. James A. Jones, publisher of the Leader, Mexia, Texas. "In the latter case I used Chamberlain's Cough Remedy, and I think with considerable success, only being in bed a little over two days against ten days for the former attack. The second attack I am satisfied would have been equally as bad as the first but for the use of this remedy as I had to go to bed in about six hours after being 'struck' with it, while in the first place I was able to attend to business about two days before getting 'down.'" For sale by the Benson Drug Co., Cottage Grove and Joe Lyons of Drain.
