IN ANSWER TO FORFEITURE NOTICE.

Sharp's Creek, Ore., Aug. 19, 1902.
To Whom It May Concern:

In answer to a certain notice of forfeiture published in Bohemia Nugget by spare and Hamblin, dated 1902, wherein myself and two sons are concerned, I wish to make a plain statement of the facts.

I made a verbal agreement with Messrs. Spare and Hamblin to work the timber on a given tract in this paper for a half interest. They want to work in said timber and worked three assessments, all the time living with me in my cabin. Now they come forward at this late day and say I own the timber. We deny any forfeiture. And in conclusion I will go right ahead and work the timber on my own and old cut will treat you white. Looks very shabby to a man in the moon to think I would give Spare & Hamblin a half interest in the name of T. D. Keiser, Spare and Hamblin taking any illegal proceedings against said mine.
