A Pedee Play

Miss Clara Marks, who is teaching at Pedee was a week-end visitor in Monmouth with relatives and friends. Miss Marks is one of a group of Pedee folks who are presenting a play, "The Sign of the Pewter Jug" in the Pedee hall Saturday evening, March 26. A free dance follows the program.

Plasterers Delayed

Sand for plastering the houses under construction in Monmouth has been difficult to obtain. The work of clearing away the effects of the late high water was not completed by the Independence gravel company until early this week and it was necessary previous to that time to go to Salem for gravel.

The Home Economics Club of the Monmouth grange met on Friday at the home of Mrs. W. J. Stockholm. Twelve members were present and a very profitable meeting was held. Afterwards the hostess served delicious refreshments of ice cream and cake. The club will meet the third Friday in April with Mrs. C. H. Parker.

Mr and Mrs. U. G. Heffley returned Tuesday from a trip to Coos county to visit with their daughter, Mrs. W. J. deBoer and family, at Gravel Ford. The Heffley's were accompanied by Mrs. Hendrick, a sister-in-law from McMinnville, and on the return trip a niece, Mrs. Venetta Heffley from Bear valley, near Bandon came to visit with relatives in Salem and Independence.

At the Odd Fellows meeting Monday evening John Riney was elected district deputy for the next year and W. M. Jones and Charles Calbreath were chosen delegates to grand lodge to be held at Astoria about May 18.

At the Monday night meeting the Odd Fellows conferred the third degree on four young men, Messrs. Davis, Bush, Cody and Winegar from the senior class in high school. At the conclusion of the session it was found that a large company of Rebekahs had assembled in the ladies parlor of the hall. An orchestra promptly appeared and dancing was indulged in until midnight. A nice luncheon was also served.

An interesting program characterized the last meeting of the Grange. A. H. Craven gave an instructive talk on chicken raising and members present responded with answers to the query: What studies would you take up were you to start your schooling over again? Some unexpected and surprising answers were brought out by this question.

"Lest We Forget" Is An Intensely Interesting Film

The good old days is the theme of song and story and sometimes thru that enchantment which distance lends we look upon them with a glamour which the real article never warranted. The good old days of the wine and beer saloon have been reproduced in a realistic and dramatic motion picture which "lest we forget" is to be presented at a union meeting of churches in the Normal chapel next Sunday evening. A lecture by R. E. Close of Portland will accompany it. "Lest We Forget" is the title of this picture which brings back in most vivid fashion the things we are too apt to overlook in anything that is connected with the past. It will be worth seeing and one and all are urged to attend. The picture presentation is free although an offering to promote the cause will be taken. Children who come must be accompanied by parents or other adults.

In the Normal chapel, Sunday night, March 27th.

Due to the increasing demand for practice work in the training department at the Oregon Normal school a recent reorganization has been made by President Landers in two of the departments which enables him to meet this pressing demand in a very satisfactory manner. A new course in junior practice under consideration by the president and if found satisfactory, will be used to some extent in the future.

The new organization calls for the changing of the school at Rickreall from a rural center to a strictly city graded system. The practice work will be conducted there in the same manner as it is now done in the Monmouth and Independence schools. Only senior students of high ranking will

be selected for this work. Eighteen students have been chosen and are now ready to take up their work at the beginning of the Spring term. The following facts concerning these people who will teach at Rickreall are of interest. The majority of them have had college work, ranging from one to four years. This must be understood to be preparation beyond the normal school. Then, too, a good percentage are teachers of experience.

All the necessary changes for shifting the Rickreall school into the new organization have been made. This gives to this little town a most exceptional advantage in educational lines. It is doubtful if another town in the state for its size will have better educational advantages. It is not generally known that practically a new dormitory has been constructed and furnished to accommodate the young women who will teach at Rickreall. This gives to those who go there living conditions second only to the dormitory in Monmouth. Rickreall is at the junction of two of the principal highways of the Willamette valley and is situated within easy reach of Portland, Dallas, Salem and Monmouth.

Assignments for practice teaching for Rickreall:

Primary: Miss Donaldson, critic: Thelma Beach, Edna Drake, Georgia Finley, Florence Snow, Fannie Todd, Olga Uotilla.

Intermediate: Miss Emmons, critic: Beatrice Anderson, J. Kendall Burkhead, Elva Chapman, Verna Hart, Dorothy Keber, Selena Hart.

WOMEN DEBATORS TO HAVE LAST WORD OPPORTUNITY

Our last debate will be held the first Wednesday night after the new term starts, in the auditorium. Miss Quint and Miss Howard will debate here for the first time. They will uphold the negative. Helen Bryant and Florence Snow will travel to Linfield. The girls are working hard and are hoping to defeat the "Bearcats."

LINFIELD WINS BOTH WAYS IN DEBATE WITH O. N. S.

Monday evening both our men's Teams lost to Linfield in our inter-collegiate debate discussing the question of foreign governmental control in China. The teams failed to agree on a definition of terms and doubtless the debate was won over this issue.
