FALLS CITY DEFEATED
 BY INDEPENDENCE HI

Independence met Fall City on her own floor in two games last Friday night. The score in the boys' game was 35-9, and in the game played by the girls the result was 20-11. In the boys' game there was little opposition, and the home team played a consistently good game. The floor there is a handicap to both teams in every game played. In the game played by the girls the opposition was better organized, and at the end of the first half, Falls City lead with a score of 10-9. The Independence girls were thoroughly chilled by the long drive, and had had no opportunity to get warm. In the second half, however, they came back with better team work, and held their opponents to only one point. The line ups for the two games were as follows:

Boys—Manley Burright, field; Karl Byers, field; Jim Stapleton, center; Verne McGowan, guard; Floyd Blaser, guard.

Girls—Fern Hayes, field; Helen Olmstead, field; Eleanor Calbreath, guard; Winnie Myers, guard; Ruth Merrill and Ellen Mitchell centers. Substitutes—Smiley for Stapleton and Moore for Burright.
