J. B. Stump has sold a part of his flock of goats realizing it is reported \$2,750. The goats were sold to the secretary of the National Angora Goat Association, which speaks well for the quality of angoras raised in Polk.

Mayor Cooper is in receipt of a communication from Dr. James Withycombe of the state agricultural college offering his services for a farmers institute here as proposed by the Improvement League. The communication is accompanied by samples of programs rendered at similar institutes. Such institutes usually cover two days.

Services next Sabbath at the Presbyterian church both morning and evening conducted by the pastor. Dr. Thompson would like to meet his entire congregation at these services as he expects to start soon for the east to attend the General Assembly of the Presbyterian church which convenes in Buffalo, N. Y. He will be absent five or six weeks—during his absence his pulpit will be supplied by visiting clergymen.

Ray Walker returned to Corvallis Monday.

Mrs. Helen D. Harford is talking for local option in Polk county this week. She has addressed audiences in Independence and Monmouth and will tomorrow night speak in Dallas. Dates yet to be filled are: Falls City, 7 and 8; Dallas again on the 9th; Buena Vista, 10; Airle, 11; McCoy, 12; Rickreal, 13; Monmouth again on the 14th and 15th.

Dallas is a busy and progressive town. Men with capital are beginning to awaken to the fact that Dallas needs more houses and neat dwellings are beginning to go up all over town. The spirit of progress and civic pride seems to have taken a thorough hold upon the people, and private premises all over town are being improved and beautified. The greatest public improvement of all will be the system of sewerage recently voted to be put in, and for the construction of which the city council has already advertised for bids.—Polk County Observer.

There were no services at the Presbyterian church last Sabbath on account of Dr. Thompson being called to conduct the funeral of an old pioneer, Mr. Sylvanus Condit of Pleasant Grove, Marion county. Mr. Condit had lived on the farm where he died, for fifty years and was a most highly esteemed citizen of Marion county. Several hundred people were present at his funeral to pay their tributes of respect to his memory. He was every where and at all times an honorable citizen—a good and godly man—Several times he was honored with official positions in Marion county.

On Thursday of last week it rained so hard at Salem a baseball game scheduled to take place could not be pulled off. At Independence there was an alternation of thin clouds and sunshine all day with only a light mist for a few minutes that would not wet one in his shirt sleeves. On the preceding Saturday it rained hard enough to make the roads muddy at Dallas while here there was no rain and dry roads. Clouds seem to travel down the Rickreal giving Dallas and Salem and intervening points along its course, rain that Independence and other higher points escape.

Try for Health

222 South Peoria St., CHICAGO, ILL., Oct. 7, 1902. Eight months ago I was so ill that I was compelled to lie or sit down nearly all the time. My stomach was so weak and upset that I could keep nothing on it and I vomited frequently. I could not urinate without great pain and I coughed so much that my throat and lungs were raw and sore. The doctors pronounced it Bright's disease and others said it was consumption. It mattered little to me what they called it and I had no desire to live. A sister visited me from St. Louis and asked me if I had ever tried Wine of Cardui. I told her I had not and she bought a bottle. I believe that it saved my life. I believe many women could save much suffering if they but knew of its value.

Wine of Cardui

Don't you want freedom from pain? Take Wine of Cardui and make one supreme effort to be well. You do not need to be a weak, helpless sufferer. You can have a woman's health and do a woman's work in life. Why not secure a bottle of Wine of Cardui from your druggist today?
