Gaston FREE COINAGE OF

SILVER.

The free and unlimited coinage of silver, the product of American mines, at the old ratio of 16 of silver to 1 of remedy for the disturbed and unsatisfactory condition of trade, manufacture and general business of the coun-

try. The surreptitious act of 1873, wealthy against the producers of wealth, and hostile to the prosperity of the United States. It was an act of treason because done at the instance of a European syndicate and for bribe money, "giving aid and comfort to our country's enemies." To shield the guilty parties, the well authenticated facts, often published, have been

vigorously denied. The Enquirer will continue to expose this unpardonable crime until right and justice are done the people by the full restoration of silver to its old companionship with gold. We need the assistance of the people in disseminating the truth, to which end we invite all in your selection of papers for the coming season to include the Enquirer, that costs only \$1.00 a
