**Unshaken Testimony**

Time is the test of truth. And Doan's Kidney Pills have stood the test in Grants Pass. No Grants Pass resident who suffers backache, or annoying urinary ills can remain unconvinced by this twice-told testimony.

W. A. Trefren, 731 Highland Ave., says: "I suffered for a long time from my back and kidneys and never found anything that would give me much relief until I began using Doan's Kidney Pills. They strengthened my back and eased the dull pains that had settled across my kidneys." (Statement given March 24, 1913.)

On March 20, 1916, Mr. Trefren said: "I am still a strong booster for Doan's Kidney Pills, for I don't know of anything their equal for lame back and kidney trouble. They always do me a wonderful lot of good when I have to take them." Price 60c. at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mr. Trefren had. Foster-McBurm Co., Mfrs., Buffalo, N. Y.

**SOME PERILOUS FEATS IN "UNDER THE TOP"**

In the early part of "Under the Top," the new Artercraft picture starring Fred Stone, which will be shown at the Joy theatre tonight and Thursday, the famous comedian has to do a dive down a rope from a church steeple. The scene comes when he, as Jimmie Joes, a young village painter, quits for the noon hour. Fred came down the rope head-first at break-neck speed, while three cameras "shot the scene," and numerous people about the Laaky studio watched breathlessly, wondering if he would land safely. He did, and everyone agreed that when it came to doing startling stunts, Fred Stone was in a class by himself.

This is one of many similar hair-raising feats which Mr. Stone performs throughout the action of the story of "Under the Top." As Jimmie, he loves Pansy McNeil, a circus girl whose guardians plot to deprive her of her inheritance by wedding her to one of them. They cause her to be hypnotized and the marriage is to be celebrated while she is in a hypnotic trance. But Jimmie takes a hand in the proceedings with the result that the villains are foiled.

**Making Two Ears of Corn Grow Where Only One Grew Before**

Not getting the right amount of rain at the right time, is one of the principal causes of crop failure.

This is past history, however, on thousands of profitable farms throughout the country. These farms use Electric Power, and motor driven pumps allow irrigation in the right amount and at the right time.

There are suitable G-E Motors for running the machines in the Barn, in the Dairy, and in the Field. Almost every task and chore on a farm can be done more rapidly, more economically and more safely with Electric Power, than in any other way.

Our Power is at your command at any time, day or night, throughout the year.
