Notice to Subscribers

Under authority of the Postmaster General, on account of recent increases in wages to employees, totaling for the State of Oregon upwards of \$225,000.00, certain changes in exchange rates have been approved and made effective July 29, 1919, for the State of Oregon.

The changes in rates apply particularly to residence service, changes having been made in the principal business rates May 1, 1919.

All new business taken on after July 29th will be at the new rates and bills to present subscribers for the month of August will be rendered at the new rates.

The increased rate will yield an annual revenue upwards of \$250,000.00, but as the increase in wages is upwards of \$225,000.00 the net return to the Company under the rates now made effective is approximately 2 1/2 per cent on the valuation of its property at \$13,464,000.00, as found by the Public Service Commission.

The new schedule of rates is identical with the one approved by the Postmaster General for the State of Washington, which has been in effect since March 1, 1919. The rates are the same in both states for exchanges that are comparable.

We believe that no proof as to the advanced cost of living and the general high cost prevailing for labor and materials is necessary and that the telephone using public will accept this increase in rates in the same spirit of fairness and consideration as it has the advances in almost every other necessity in these unusual times.

SOVEREIGNS TO VISIT U. S.

King and Queen of Belgium Will Come to America in September.

Before President Wilson left Belgium it was announced that King Albert and Queen Elizabeth had accepted his invitation to visit the United States. The Belgian rulers will probably arrive in America in September and remain throughout October for the first session of the League of Nations in Washington.

King Albert of Belgium visited the United States 20 years ago. The present king was then a prince and spent nearly 12 months in this country as a tourist and newspaper correspondent.

REUNITED AFTER 25 YEARS

Father and Daughters Brought Together by Advertisement.

Believed dead for 25 years, H. D. Ferguson returned to Wichita, Kan., and was reunited with two of his daughters. The reunion was made possible by a newspaper advertisement in which the aged father sought to know the whereabouts of his daughters.

When one of the daughters went to the address given in the advertisement, she met an elderly man, who produced a worn photograph of the family taken a quarter of a century ago. A happy reunion followed.

CAUGHT TROUT IN SLEEP

Fisherman Tied Tackle to His Toe and Then Went to Bed.

Tying a line, with a well-baited hook on it, around his big toe and tossing the cord out of the window, Donald E. Whipple of Watertown, N. Y., went to bed. About two o'clock in the morning he was awakened by a tug and pulled in a four-pound lake trout, which was served for breakfast.
