GOOD PROGRAM IS ALL ARRANGED

Three Days to Be Filled With Good Things for Newberg Farmers and Their Wives

The Farmers chautauqua, which is to be held under the auspices of the Newberg Berrians, the Newberg Commercial club and the Newberg Farmers' club, will be given on Wednesday, Thursday and Friday, January 18, 19 and 20, at the I. O. O. F. hall in this city. This promises to be the biggest thing of its kind which has ever been held in Newberg and it is all free to everyone. The program is outlined and completed is the best obtainable and takes up some very vital topics of great interest to the farmers.

There will be three big days of mental feasting and on the side there will be some actual feasting, for it is planned to have the public bring their dinners, and coffee and dishes will be furnished by the committee, which has this matter in charge. This feature should provide a splendid opportunity for a social time and interchange of ideas and thoughts among the farmers.

The program includes such speakers as M. J. Newhouse, Vancouver, Washington; W. G. Allen of Salem; H. E. Burdette of the Oreno Nursery company, and many others, including a number of able speakers from the Oregon Agricultural College. It has been the policy of the committee to have the subjects handled both by practical men from the country around and also by college professors who have made a deep study and research into these subjects.

The program as finally arranged and completed is as follows, and as all of these speakers have returned their acceptance, it is expected that this program will be followed:

11:00 a. m.—"Prunes," W. Brook-er, Vancouver, Washington.

2:00 p. m.—"Apples," Kenneth Miller, Sheridan.

4:00 p. m.—"Walnuts," Charles Trunk, Dundee.

Friday

10:00 a. m.—"Business Side of Farming," Dean Bexell of O. A. C.

11:00 a. m.—"Blackcaps and Loganberries," W. S. Brown, O. A. C.

2:00 p. m.—"Dairying," P. M. Brandt, O. A. C.

4:00 p. m.—"Benefiting the Home Grounds," H. E. Burdette of the Oreno nursery company, illustrated by lantern slides.

In addition to these addresses there will be round table talks and general discussion in which the local people will take part. All of the farmers of the community hereabouts should attend this free farmers' chautauqua and get the views of these practical men and college professors on these subjects which are undoubtedly of great interest to them.

The ladies will also be cared for during this farmers' chautauqua and arrangements have been made with the home economics department of the high school so that Mrs. Mabel Waterman will take charge of the department of the ladies on the forenoon of each of the three days. These meetings will be held at the high school building and should be of unusual interest to the ladies. Domestic science and arts will be covered in their various branches at these sessions.

GRAND GET TOGETHER TO BE HELD AT PACIFIC COLLEGE

The grand annual get-together of Pacific College is scheduled for Friday evening, January 13, at Wood-Mar Hall, at 7:00 o'clock. At this time every old student, old graduate, old faculty member, together with the present student body and faculty, is supposed to turn his or her face toward the college and if it is within the range of human possibility every one of them is supposed to get back for the annual mid-year good time.

It is to be a full and delightful evening. There are to be addresses, short and snappy, from representatives of the different periods of life of the college; "stunts" by the literary societies of the college; special music by former students and by the faculty of the school of music, and other things in addition to the annual social good time.

Efforts have been made to secure the names and addresses of as many old students as possible, but it has been impossible to secure many of the addresses. Any former student who learns of the approaching get-together, whether he has received a special invitation or not, should be assured that this gathering is especially for him, and should spread the word to any other former students who have failed to receive a special invitation.

WHITNEY BOYS CHORUS CONTINUES TO GROW

The Whitney boys' chorus shows a remarkable proclivity for growth and the membership has now reached 178. The practice which was held last Tuesday night is declared by those present to have been the best yet. The cooperation of the parents is greatly desired to help make the chorus a complete success and it is hoped that many of the parents will endeavor to be present next Tuesday evening, as Mr. Whitney will be here at that time.

Plans are being laid for the giving of a big concert in Newberg soon, and Mr. Whitney will assist in perfecting these plans next week. Special parts will be assigned to the boys who best equip themselves with appropriate readings, while other boys will be chosen for solo and duet parts. It is requested that parents who wish their boys to have the honor of taking some of these leading parts will get in touch with one of the chorus helpers at once, as a tryout will be held in about ten days.

CARLOAD OF FLOUR TO BE SHIPPED TO RUSSIA

FUND RAISED AND FLOUR READY

Chehalem Valley Mills Product to Be Sent to Famine District of Volga Valley

Newberg again made good and as a result of the recent drive for a carload of flour to aid the starving Russians, sufficient donations were secured and the carload of flour is in readiness for shipment just as soon as the shipping instructions are received. Virgil Hinshaw had the local drive in charge and together with his co-workers did excellent work to raise the necessary funds for this purpose in so short a time. As a result, Newberg, the former home of Herbert Hoover, who during the war represented this country as a food commissioner in Europe, has justified her reputation as making good on every philanthropic drive.

The flour which will be sent to the Volga valley of Russia is the product of the Chehalem Valley Mills of this place and was furnished by the local mills at a very low cost so as to enable the local people to do this good work for the starving ones in Russia at a low cost. Moreover it is understood that the railroad company have agreed to transport this flour free of charge. It will be received in Russia and distributed through the agency of the American Friends Service Committee and the American Food Commission, of which Herbert Hoover is the head. The carload from Newberg will contain at least 210 barrels of flour.

In each sack has been placed a slip bearing the inscription, "This bag of flour is donated by the people of Newberg, Oregon, to relieve the food shortage in the Volga valley, Russia. Manufactured by the Chehalem Valley Mills, Newberg, Oregon, U. S. A."

Any persons who have not yet paid their pledges to this cause or any who wish to make a pledge may make payment at either of the local banks and it will be handled by the local committee.

STATE ORATORICAL CONTEST TO BE HELD HERE IN MARCH

The annual intercollegiate oratorical association contest will be held at Pacific College on March 10. The nine colleges of Oregon which participate are: U. of O., Monmouth, Willamette University, Albany, Eugene bible university, P. U., O. A. C., Linfield and P. C. Miss Harriett Hodgins of P. C. is the president of the association this year and has charge of all activities in connection with the contest.

The contest is held at a different college every year. As it will be held here this spring, it will mean that large delegations from each college must be received and entertained by Pacific College.

Preparations for the event have already begun. From the present viewpoint, the task seems to be nearly impossible, knowing however, that it was given here nine years ago, quite successfully, it can be again.

There are a number of ways in which the contest will benefit the town. Among them are, the opportunity of hearing the finest orations among colleges, the attraction of visitors, and a good chance to boost the town.

The size of the undertaking cannot be estimated, and without the cooperation of the town it can hardly be successful. Both college and town profit by the united effort.

FARM BUREAU HELD ALL DAY MEETING HERE ON MONDAY

The Farm Bureau meetings which were held here on Monday proved to be an even greater success than had been anticipated. The motion pictures entitled "Spring Valley" were shown in the morning at the Baker theatre to about 250 persons. Picnic lunch was spread in the I. O. O. F. hall at noon and a general social hour was spent at that time.

In the afternoon, President Mansfield and Secretary Aird of the state organization made talks. At this time it is estimated that about 300 or 350 persons were present. Mr. Aird introduced President Mansfield, who made the principal address of the day. He gave an outline of the farm bureau work, telling how it was organized, of its connection with the department of agriculture of the government, and its objects, etc. He gave as some of its objects, the question of assisting the farmers in an educational way and the matter of getting more equitable taxation for the farmer, as well as buying supplies and selling products.

It was explained that the present meeting was being held for the purpose of perfecting an organization in Yamhill county. The question of membership fees, which were set at \$8 at the meeting held at McMinnville was discussed at length and it was finally decided to reduce this fee to \$5. C. W. Bradshaw was elected as temporary chairman of the local organization and Chas. K. Hubbard as temporary secretary.

A similar meeting was held at Yamhill following the one here.

SPLENDID REVIVALS NOW ON AT LOCAL BAPTIST CHURCH

Rev. S. J. Reid, known as the Irish evangelist, and who is the state evangelist for the Baptist church, with headquarters in Portland, is holding revival services at the local Baptist church and will conclude his series of meetings with the two services on Sunday. Rev. Reid is a very interesting talker and he is holding large audiences with his presentation of the gospel. Not only is he holding his audiences but they are increasing in size and the church is now well filled at the services.

Meetings are held each evening and in addition to the regular evangelistic sermon, special music is provided by the choir under the leadership of Mrs. H. G. Miller, each night. During this week Rev. Reid has been preaching seven sermons on the seven sayings from the cross and he puts a powerful appeal into his messages which is getting results. Several have already been added to the church and with the culminating interest which is being exhibited, it is probable that many more will be added before the meetings close on Sunday evening. The public are cordially invited to attend any or all of these meetings and will be assured a warm welcome.

CASE AGAINST CITY ORDERED TO BE RE-ARGUED

The case of Catherine Platt vs. City of Newberg, wherein Mrs. Platt recovered a judgment against the city for \$3000.00 damages, tried in 1920, was argued in the supreme court in July, 1921. Notice has just been sent that the supreme court has asked this case to be re-argued before the court on January 25, 1922.

The question is one that will fix the liability of the city on defects in sidewalks. Usually a case is decided by one-half the bench, but the question is one upon which the supreme court has made somewhat conflicting statements, and the judges are evidently not in accord. A case is usually decided by the supreme court in three weeks after its argument. Attorney B. A. Kikis appears for the plaintiff, while Wilbur Spencer, Howell & Beckett and C. R. Chapin appear for the City of Newberg.

NAMITZ—Newberg, Oregon, January 7, 1922, to Mr. and Mrs. Al. Namitz, a son.

FIRE AT SPRINGBROOK

The residence of Mrs. Emma Newlin in Springbrook was completely destroyed by fire on Wednesday night at about 11:00 o'clock. The fire evidently originated from a defective flue and the high wind added to the difficulty of fighting it. Neighbors succeeded in getting out some of the furniture, but the house and much of the contents were lost. There was no insurance. Mrs. Newlin is the widow of Horace Newlin, who died about two years ago. Mr. Newlin was a heavy lumberer at the time of the fire in the Timberlake barn.

STATE CHAMBER WILL AID LAND SETTLEMENT

PLAN TO PLACE THE EX-SOLDIERS

American Legion to Work With the State Chamber in Colonization of State Lands

Portland, Ore., Jan. 10.—The Oregon state chamber of commerce will continue its active work in colonizing and settling the unoccupied land of the state, and will bend every effort toward the merging of all land settlement agencies throughout the state during the coming year, according to an outline of the future policy of the organization made public today.

The report, which is an outgrowth of the annual meeting of the organization on January 3, emphasizes the fact that the state chamber, due to the active cooperation of the railroads serving this state, executive departments at Salem, and all state-wide organizations, has become established as the central medium through which prospective settlers are put in touch with the various districts of the state in which they desire to locate.

An important development in the state chamber's plan of placing ex-soldiers on the land under the provisions of the Oregon bonus law, was announced in the report. Robert O. Case of the state chamber, an executive man, has been appointed secretary of the state land committee of the American legion, and will immediately take up the work of compiling data in regard to specific tracts of land available for soldier settlement.

Thomas A. Sweeney, chairman of the state land committee of the American legion, in announcing the appointment of the secretary, declared that the committee would take up the active work of soldier settlement through the state chamber.

"Oregon ex-soldiers who desire to use the bonus as a means of buying a home should address the American legion state land committee, Oregon Building, Portland," said Mr. Sweeney. "We expect to work closely with the state chamber in this matter, as that organization has complete data on file relative to the various tracts of land ready for settlement."

Other matters taken up in the report include the announcement that a new department of organization and service, as recommended by the state association of commercial secretaries, will be instituted by the department will be to give assistance to local commercial organizations throughout the state, and a field man will be employed who will devote his entire time to this work.

SUCCESSFUL RECITAL ENJOYED HERE MONDAY EVENING

The piano recital of Monday evening at Wood-Mar Hall, given by Mrs. Beatrice Dierke of Portland, under the direction of the Monday musical club, was an event long to be remembered in the musical circles of Newberg. The hearty applause that greeted each number, testified to the enjoyment of the audience.

It is not often that a city of Newberg is so able to listen to such an artist as Mrs. Dierke, and the Monday musical club are experiencing considerable satisfaction in their share of a very pleasant evening.

The recital was a growing pleasure from the first note of the first number to the closing strains of the last selection.

DUNDEE BASKET BALL TEAM HAS WON 6 STRAIGHT GAMES

The Dundee basketball team played Dayton at Dundee last Saturday night. Seeing defeat staring them in the face for the first time this season, the Dayton team gave up the ghost and forfeited the game by walking off the floor with fifteen minutes of the second half unplayed and the score 7 to 2 in Dundee's favor.

One Dayton player got run into and wrenched his knee quite badly, thus having to take time out. But with a fine show of grit stayed in the game and gave a fine account of himself. As there was no physician present the extent of the injury is not known, as opinions differ as to which knee was hurt.

Dundee defeated Newberg H. S. Monday night with a score of 19 to 15. Newberg led the first half with a score of 11 to 10, but were unable to hold the lead.

Tualatin will attempt to break Dundee's line of victories next Saturday night on the latter's floor. Dundee has won six games and lost none this season, and has hopes of annexing another to her credit Saturday night.

Oz Best, with the Standard oil company at Newberg, is very successful as a basketball coach as well as a player. Since he took the Dundee team in hand, he has built up a system of passing and guarding, which has not failed to defeat the opposing teams this season, but has won six games from the neighboring towns. A great deal of credit is due Best for the success his team has had.

NEWBERG FIRE DEPARTMENT HELD MEETING MONDAY EVE.

The first meeting of the year of the local fire department was held on Monday evening at the city hall. It was decided at this meeting to issue membership certificates to all members showing the date of joining the department.

It was announced by Chief Sherlock that the fire marshal's office at Salem had notified him that they were going to present two flags to the city, one to the fire department and one to the local grade school. This presentation will be made by Governor Olcott and is the reward of the Newberg fire department's endeavor to keep down the fire loss for the period beginning July 30, 1919, and ending July 30, 1921. This prize was awarded to Newberg during the fire chiefs' convention held in Victoria, B. C., last year. The date has not been set as yet, as the governor has been unable so far to get away, but it will undoubtedly be within the next few weeks. Bert Miller, Orville Livengood and Elgin Van Blaricom have been instructed to meet with a committee from the Berrians, the Commercial club and the Legion to draw up a program for this event. This committee will work out the details on Wednesday evening.

COMMITTEE SELECTED TO SEE GOVERNOR ABOUT FLAG

Representatives of the city council, Commercial club, Berrians and Newberg fire department met at the commercial club rooms on Wednesday evening to discuss matters pertaining to the bringing of the governor to Newberg for the presentation of the flag which was won by the local fire department. A committee consisting of Mayor S. M. Calkins, J. D. Gordon, W. D. Miller, J. H. Sherlock, and H. C. Spaulding was selected to go to Salem in the next day or two to interview the governor regarding dates and plans for this occasion. It is expected that a holiday will be declared at this time and an extensive program will be given in connection with this event. In addition to those named to go to Salem, the following were present at the meeting on Wednesday evening: George Kelly, C. H. Fitzpatrick, Wm. Ormond, P. E. Overend, Orville Livengood, O. O. Smith and Henry Morris.

FIRE DRILLS AT SCHOOLS

A committee from the local fire department visited the grammar school on Tuesday and turned in a fire alarm for a practice drill. The children were all out of the building in one minute and eight seconds, which is considered excellent time. The same committee also visited the high school on Wednesday and conducted a fire drill. There the students turned out in one minute and fifty seconds and the grammar school pupils are jubilating over the fact that with a much larger enrollment they were able to turn out in a shorter time than their elders at the high school.

CARD OF THANKS

We desire to express our heartfelt thanks to our kind friends and neighbors and especially to the members of the Woman's Relief Corps and the Grand Army of the Republic for their many acts of kindness and for their assistance so freely rendered during the sickness and at the death of our loved wife and mother, also for the beautiful floral offerings.
