RHEUMAATHSM

Rheumatism must be treated
throngh the blood, and no remedy oning such prompt and the disease in the blood, neutralizes the acids, and removes all irritating or $p$
anbstances from the syotem. S. S. S. strengthens and enriches ates through the body, the corroding. nawing poisons and acid deposits are disiodged and washed out of the is happily relieved from the disco Extermisery of Rlieumatism.
 them to do the work of a blood purifier niments and plasters as cures are bound be nursing a casp of Rhoumatism the
greater part of their lives.
S. S. S. is a purely vegetable remedy dize wive wiximix safety by old and young.
us about their case will rece
from our physicians, for which no charge is mate IV will mail free our special book on Ran this disease. It contains is a pondensed form much information about Rheumatiam,

CANNOT BE RUBBED OUT
But a good liniment or plaster will often give
temporary relief because it produces counter temporary relief because it produces counter
irritation or reduces the infamimation and sore ness. Aut nosort of external treatment can have any effect whatever upon the disease itself, for
Rhewnatlom /s not a sEln ellsoaso, but is due to au over acide condition of the blood, and salts or sediment in the muscles and joints, and no amount of rubbing or blistering can dislodge
these gritty particles or change the acid blood.
Rheumatiomioften becomes chronic, andthe mus. Rheumatismoften becomes clronic, and the mus-
cles and jointa permanently stiff and useless and the nervous syitem almost wrecked, becanse so
much time in lost in trying to cure a blood disease with outaide applications or doctoring the skia.
