

A PROMINENT COLLEGE MAN

One of Indiana's Useful Educators Says: "I Feel Like a New Man."

MR. JOHN W. MENG.

Mr. John Meng, 54 Jefferson Ave., Indianapolis, Ind., State representative of Indianapolis Business College, writes:

"I firmly believe that I owe my fine health to Peruna. Constant travel and change of food and water wrought havoc with my stomach, and for months I suffered with indigestion and catarrh of the stomach. I felt that the only thing to do was to give up my occupation which I felt very reluctant to do. Seeing an ad. of Peruna as a specific for catarrh I decided to give it a trial, and used it faithfully for six weeks, when I found that my troubles had all disappeared and I seemed like a new man. I have a bottle of Peruna in my grip all the time, and occasionally take a few doses which keeps me in excellent health."

—John W. Meng.

The most common phases of summer catarrh are catarrh of the stomach and bowels. Peruna is a specific for summer catarrh.

Hon. Willis Brewer, Representative in Congress from Alabama, writes the following letter to Dr. Hartman: House of Representatives, Washington, D. C.

The Peruna Medicine Co., Columbus, O.

Gentlemen—I have used one bottle of Peruna for lassitude, and I take pleasure in recommending it to those

who need a good remedy. As a tonic it is excellent. In the short time I have used it it has done me a great deal of good."—Willis Brewer.

If you do not derive prompt and satisfactory results from the use of Peruna, write at once to Dr. Hartman, giving a full statement of your case and he will be pleased to give you his valuable advice gratis.

Address Dr. Hartman, President of The Hartman Sanitarium, Columbus, Ohio.

No Longer a Mystery.

"I have often wondered," observed the doctor, "at the extraordinary popularity of 'Dixie.' People always applaud whenever an orchestra begins to play it. Why is it?"

The professor was silent a long time. "Well," he said at last, "I have sometimes thought it was because everybody liked the tune."—Chicago Tribune.

Uncomfortable.

Finicus—I wonder why it is that those who attain the pinnacle of success never seem to be happy?

Cynicus—Because the pinnacle of success is like the tip of a particularly tall lightning rod with a particularly sharp point, and those who succeed in perching temporarily upon it usually find that they are targets for all the world's lightning.
