The route is designated as No. 1 and services will be performed on Tuesdays, Thursdays and Saturdays, in accordance with the following schedule: Leave Bend office 8 a. m., return by 1 p. m. One carrier will be employed at a salary of \$520 per annum. WILL STAY HERE

Rev. I. I. Gorby to Hold Services Every Other Sunday

Rev. I. I. Gorby, who came to Bend recently from Chicago, will remain here during the winter and conduct services regularly. The Presbyterian people have rented Liner's Hall and on alternating Sabbaths Mr. Gorby will preach there at 11 a. m. and 7:30 p. m. He will preach at Tygh Valley, in Wasco county, on the other Sundays.

His first regular services will be held here the coming Sunday.

RECORD SALES MADE.

The real estate sales of The Bend Co. during November broke all previous records, the total being reported by A. O. Hunter as \$46,033.39 for both business and residence property. The largest single sale, \$18,000, was made in Dayton, Ohio, by D. E. Hunter for the company. These figures show the quickening effect the railroad has had on Bend realty.

SMOKER TO BE GIVEN TOMORROW EVENING

All Who are Interested in Development of the Town Urged to Attend Commercial Club Meeting

A smoker and get-together meeting of the Commercial Club will be held tomorrow evening at the club rooms, and every member and anyone else who is interested in the development of Bend are urged to attend.

There will be music by a number of the best players in the city, and the ladies of the Library Club will serve coffee and sandwiches. A full report will be made by the manager, and the affairs of the club will be fully discussed and action taken on important matters. It is expected to be one of the most interesting club meetings of the year.

McKAY IS DIRECTOR

New Member of School Board Chosen Saturday Afternoon.

The special election to choose a successor to fill the unexpired term of Millard Triplett as director of the School Board was held from 2 to 3 o'clock Saturday afternoon at the schoolhouse. Clyde McKay was elected almost without opposition and by a large majority, receiving 39 of the 56 votes cast. The only other candidate nominated at the meeting was N. P. Smith, who asked that his name be withdrawn. He received 14 votes. Three votes were cast for men not placed in nomination, two for Dr. W. W. Faulkner and one for George S. Young. Mr. McKay will serve until June when the regular election will be held. The board now consists of H. J. Overturf (chairman), F. M. Ray and Mr. McKay.

At the meeting Saturday, Supt. Shouse suggested the addition of manual training work to the High School course by having a practical carpenter employed for an hour each day to instruct the boys. There was no objection expressed to the plan and the board will take it up at its next regular meeting and probably adopt it.

COE RE-ELECTED BY 81 MAJORITY

"Taxpayers" Ticket Wins Over "Citizens" Ballot---Dement, French, Spencer Two-Year Councilmen---Allen, Wenandy and Lattin One Year.

By a majority of 81, Dr. U. C. Coe was yesterday reelected mayor of Bend over J. N. Hunter. The vote was: Coe, 189; Hunter, 108. The total vote cast was 297, all of which were counted by the judges.

One-year term: H. E. Allen, J. H. Wenandy, M. S. Lattin.

There were two tickets in the field, called the "Taxpayers" and the "Citizens". John Steidl headed the latter until late Monday afternoon when he announced his withdrawal and J. N. Hunter was placed on the ticket. The election was one of the hottest ever held here and the vote polled was heavy.

The entire "Taxpayers" ticket was elected. Only one of the present councilmen stood for re-election, this being Mr. Allen, who was elected for another year.

The election judges were Frank May (chairman), Clyde M. McKay and D. M. Davis. The clerks who served were Montelle Coe, P. W. Brackett and J. H. Bean. The result of the election was announced at 10:45 last night.

The City Council met in adjourned session this morning at 11 o'clock, received the returns from the election board and adjourned to meet tomorrow evening at 7:30. The vote on the adjournment motion, made by Caldwell, was: Ayes—Aune, Caldwell, Kelly, Oneill, Noes—Allen. Absent—Sellers.

ELECTION AFTERMATH

Exciting Trial Held Last Night, With Two Sessions Today.

An exciting trial was held in Justice Orcutt's court at 11 o'clock last night, an aftermath of the election. J. E. Sawhill was charged with an assault on J. L. Sumrall. Vernon A. Forbes, appearing as attorney for the defendant, incurred the wrath of the court and was fined \$20 for contempt of court. The fine has not yet been paid. The case was continued till 10 a. m. today, at which time it was again continued till 1 p. m. At this morning's brief session M. S. Lattin and Clyde McKay, who went on Mr. Sawhill's bond last night, asked to be released and the motion was granted. L. A. Jackson was thereupon appointed special deputy constable by the court and Mr. Sawhill was placed in his custody.

LINOTYPE IS HERE.

The new Model 10 linotype which The Bulletin purchased last month has arrived in Bend. A machinist of the Mergenthaler company will set it up. He is expected here in a few days and it may be possible to set the type for next week's paper on the machine. At any rate, barring of course the unexpected, the issue of Dec. 20 will all be set on the machine.

PRINEVILLE AUTO LINE

Cars Operated Daily from Redmond and Return.

Bend people can now make a cheap one-day trip to Prineville and back. The Prineville-Redmond Auto Co. connects with the morning train every day at Redmond and lands passengers in Prineville at 9 a. m., making the run if there is only one person. Returning, the car leaves Prineville at 4 p. m. and arrives at Redmond in ample time to connect with the southbound train. The auto fare one way is \$2.50.

ANOTHER STONE BUILDING

Having completed and sold the stone building erected on Greenwood avenue, J. I. West has started construction of another on the south side of Fir avenue, only a short distance from the passenger station. It will be of practically the same size as the other building and will be built by Mr. West and Charles Niswonger.

HOLSTEIN DAIRY CATTLE.

Central Oregon is gradually being well stocked with high grade dairy cattle. C. M. Brown and Mr. McIntosh of Redmond have brought three car-loads of Holsteins from New York state to distribute among Crook county ranchers. These are fine-bred animals and are being rapidly sold.

PROVE UP ON HOMESTEADS.

The first final proofs to be made on homesteads in the big country to the southeast of Bend along the survey of the Hill east and west line were made Saturday before Commissioner Ellis by Mrs. L. H. Radcliffe and her sister, Miss Ethel Roberts. Accompanied by Mr. Radcliffe, they left Sunday for Salem to visit relatives.

NEW STORE FOR BEND.

The storeroom in the Oneill building next to the studio is being shelved and prepared for the opening of a grocery store there by Bert Shuey.

BUYS BIG TRACT

BOSTON MAN COMES TO CENTRAL OREGON

Tom Lawson's Son-in-law invests \$30,000 in 400 Acres on Crooked River—Building \$14,000 Home—Plows Land With Traction Engine.

What Tom Lawson, the well known author and capitalist of Boston, thought of Central Oregon Mr. Lawson himself told through The Bulletin on July 12, last. Later developments show that he was not merely talking to fill newspaper space.

Henry McCall of the Massachusetts metropolis, son-in-law of Mr. Lawson, has bought 400 acres of choice land on Crooked River, has cleared it and now has a crop planted. The raw land was purchased last fall of Thomas Sharp, Jr., the price being \$30,000. It is Crooked River bottom land and close to Mr. Sharp's place. It is located in section 20, township 14, range 14.

Not only has Mr. McCall invested \$30,000 in the land, but is now building a home that will cost \$14,000. The most improved methods of farming will be employed, as is evidenced by the fact that Mr. McCall has done all his plowing by means of a gasoline traction engine. The land is under ditch, but the Boston man is going to irrigate by pumping instead of by gravity, using his gas tractor for power. He will make his home on the ranch, putting it in alfalfa next summer.

HERE SHORT TIME

Visit of Hill Railway Officials Yesterday not Significant

President Carl Gray and other Hill railway officials spent yesterday morning in Bend. In the party were W. E. Coman, J. P. Rogers, G. H. Russell, J. T. Hardy, F. W. Brainerd and George H. Smitton, assistant general freight agent of the Great Northern.

Mr. Coman came in to look after business connected with the passenger station and the stockyards. Definite location of the stockyards was decided on. It will be near the roundhouse and "Y".

Asked regarding contract having been let for an east and west Hill line Mr. Gray said there was nothing to the reports. He said he was here on a short visit to see what the traffic prospects are.

The Wisdom of Age

A poor old man in telling of his life's experience said, "I can see where I have made many mistakes in my life, but I think my greatest was in not starting a bank account when a young man. If I had done so and stayed with my banker, I would not have been working by the day in my old age. I can plainly see now, when it is too late, that I have all the time needed the bank's assistance. My advice to all young men is to open a bank account and form a connection with the bank. Then if hard luck comes you will have a friend under some obligations to help you."

The above has our hearty endorsement. We make an earnest effort to help our patrons.
