## COUNTY BUDGET KEEPS WITHIN SIX PER CENT

### ADVISORY COMMITTEE ENDS WORK

#### \$105,423 IS NET TOTAL

State Tax Not Yet Announced—New Classification Provides \$10,000 Fund For Emergencies In County Expenditures.

Deschutes county's budget covering expenditures for the year of 1922, with the deduction of \$11,000 estimated as probable fees and receipts for the year, will come under the six per cent statutory limitation, J. M. Lawrence, secretary of the budget advisory committee, stated Tuesday. Budget items exclusive of \$15,500 representing the market roads levy and \$9,875, the interest on bonded indebtedness, total \$116,423.21. Allowing for estimated receipts, this brings the net amount to be raised by taxation to \$105,423. This year's budget of \$99,585, plus the six per cent allowed by law, allows \$105,666 as the amount which might be raised for county expenses for 1922 without the endorsement of a popular election.

The budget under which the county is now operating, was considerably under the six per cent limitation, according to Assessor August A. Anderson who states that the total which could have been advertised for the present year would have been \$105,736.19. If this amount had been stipulated by the budget makers, the budget for the coming year would have \$112,080.36 as its possible limit under the statute, says the assessor.

#### State Tax Yet Unknown

Another item not included in the estimates for 1922 is the state tax, yet to be announced by the state tax commission. This year the county paid \$99,284 for this purpose.

A new classification seen in the work of the committee, which in addition to the county judge and commissioners has N. A. Burdick of Redmond, and T. H. Foley and J. M. Lawrence of Bend as its members, is the general emergency fund. For this purpose, \$10,000 is set aside.

#### Itemization Made

With few exceptions, the items in the 1922 budget duplicate the amounts listed under the 1920 budget, a comparison of figures reveals. The itemized estimates for the coming year are as follows:

Circuit court, \$3500; county judge, \$1200; county commissioners, \$2,227.55; county clerk, \$7,175.34; sheriff, \$8,835.59; school superintendent, \$2,377.44; assessor, \$3,471.31; treasurer, \$1,592.88; surveyor, \$964.63; coroner, \$25.90; district attorney, \$810; agriculturist, \$2200; water master, \$1200; county nurse, \$2500; county library, \$3,564.50; school library, \$300; widows' pensions, \$6,000; juvenile court, \$500; health officer, \$387.88; indigent relief, \$2,828.59; court house and jail, \$5,000; county prisoners, \$1,336.80; scalp bounty, \$2500; fairs, \$1,000; publication of legal notices, \$300; general road, \$9,000; general school, \$28,689; high school tuition, \$2500; elections, \$3,425.80; market roads, \$15,500; interest on bonded debt, \$9,875; general emergency, \$10,000.

## PUPILS TO MARCH ON ARMISTICE DAY

### Children of Grade Schools To Form On Held Lawn—Legion To Supply Officers For March.

Pupils of the Bend grade schools will join the American Legion in the celebration of Armistice day, it is announced by City School Superintendent S. W. Moore. Members of the third, fourth, fifth, sixth and seventh grades, will be formed on the Reid school lawn by their teachers, and at 1:45 o'clock in the afternoon will be turned over to the Legion post.

They will be officered by ex-service men on their march from the school to the depot grounds, where the Bend vs. Redmond football game will be played.

## BEND ON CASH BASIS, BUDGET MAKES CERTAIN

### \$67,990.30 TOTAL ASKED FOR NEXT YEAR

#### REDUCE 1921 ESTIMATE

### Payment of Interest And Principal On Bonds Provided—Warrant In- debtedness To Be Retired, The Joint Committee Decides.

Definitely placing Bend on a cash basis, the city budget for 1922, adopted by the council and the advisory budget committee at the final joint session of the two bodies Tuesday, reaches a total of \$67,990.30, as against the \$70,299.50 required to be raised by taxation for municipal expenses during the present year. The city's expenses for the coming 12 months will reach \$81,420.30 it was estimated, while probable receipts including fines and court costs, building permits, licenses, delinquent liens, and unexpended balance from the 1921 appropriations, total \$12,430, resulting in the net sum of \$67,990.30 to be obtained through taxation.

#### Committee Pleased

Members of the advisory committee, Floyd Dement, E. A. Sather, J. N. Hunter, George Hoover, H. G. Faris, and E. P. Brosterhouse, evinced their satisfaction over the showing made by the administration in its handling of the city's financial affairs. C. J. Leverett declared that instead of appropriating \$900 as salary for Dr. Anna Rles Finley, head of the Woman's Protective division, a donation of \$300 to the county or school nurse, or to the Red Cross, would bring better results in welfare work.

Features of the 1922 estimates which mean the placing of the municipality on a cash basis are the appropriations in connection with bonded indebtedness providing \$10,000 as a sinking fund and \$9,120 for interest, and the items of \$2,000 for the payment of interest on warrants and of \$15,000 to retire outstanding warrants. To cover estimated tax collection losses, \$2500 is allowed.

#### Expenses Itemized

Other items of the budget which include salaries, rent, supplies and miscellaneous expenses, are: Legal department, \$750; recorder, \$2350; treasurer, \$1225; police, \$3275; fire department, \$10,130; health department, \$2150; streets and bridges, \$14,225; sewer maintenance and repair, \$500; parks and grounds construction and maintenance, \$1,000; library maintenance and operation, \$3564.50; rest room rent, \$180; woman's protective division, \$900; elections, \$300; legal publications, \$250; emergency, \$1,000.

## LOST COIN RESTORED BY HALLOWE'EN JOKE

### Harry Bolser Finds \$10 Gold Piece Which Disappeared A Year Ago, As Result of Witches' Prank.

Through the activities of youngsters observing Halloween in the traditional manner, Harry Bolser, of this city, is \$10 richer. A gold piece lost nearly a year ago was recovered this week as the direct result of the celebration of All-Saints' eve.

Bolser's loss occurred as he was making improvements on his property on Wall street, the coin slipping from his pocket and coming to rest underneath the floor.

On Halloween the witches, assisted by numerous Bend juveniles, upset the building, but ignored the money which their prank had exposed. Bolser found it the next day.

## WALLS AND ROOF OF HOSPITAL FINISHED

Construction of the walls and roof of the first unit of the new St. Charles hospital has been completed. Plumbing and other interior work is now in progress. The furnace has already been installed.

## BIGGEST GAME ARMISTICE DAY

### REDMOND, BEST BET FOR CHAMPIONSHIP, PLAYS LOCAL HIGH SCHOOL SQUAD NOVEMBER 11 —ERSKINE'S MEN IMPROVING.

Definite plans were agreed on Tuesday between American Legion officers and Manager Klink of the high school football team, in regard to the Armistice Day football game between Bend and Redmond high schools, which is to be the afternoon attraction, following the parade.

Although the local team is scheduled to journey to Prineville this coming Saturday, the game next Thursday here with Redmond is the one which looms largest in the minds of Coach Erskine and his men, as well as in local fans who take an interest in the Central Oregon football race.

Redmond, by defeating Prineville Saturday, stands in the lead so far as championship hopes are concerned. Bend, although previously beaten by both these teams, is conceded to have a good chance of winning on Armistice Day.

Coach Erskine is trying all sorts of combinations in an effort to speed up his offense, and as a result all of the men are fighting hard for a place in the lineup. The team looks faster this week than it has at any time previous.

Two men who have a good chance to make a backfield position this week are Johnson and Birdsall. Neither is heavy enough to play in the line, but Saturday at Madras, when they went in to fill the places of men who were injured, both played a fast, steady game. McNeely, Blakeley, Philbrook, Norcott and Dutt and also good backfield men, so that the race for these positions is a hot one.

## BURGLARY IS CHARGE MADE

### FRED SHUEY AND LEE WRIGHT ARRESTED, AND COMPLAINT NAMES CHESTER WRIGHT— JUVENILE HEARING SET.

Fred Shuey and Lee Wright, alleged leaders in the burglary of the high school Sunday night, were arrested last night by Sheriff S. E. Roberts. A complaint of burglary was also preferred against Chester Wright, junior high school student, one of the five alleged to have taken part in the looting of provisions from the domestic science room. Young Wright is 19 years of age, and his case consequently cannot be handled in juvenile court.

The four others who are said to have confessed to having a part in the affair—Alba Rhoads, Charles Ross, Ted Gilson, and Lawrence Frasier—will appear before Juvenile Judge Sawyer at 4:15 o'clock this afternoon, according to citations issued from the office of District Attorney A. J. Moore Wednesday morning.

## HIGHWAY ENGINEERS VISITORS IN BEND

Accompanied by his assistant, C. C. Kelly, and Robert C. Johnson of the Oregon Journal, Herbert K. Nunn, state highway engineer, arrived here Tuesday night from Prineville and Mitchell. Next morning the party left for Madras, where the engineers have business with the Jefferson county court in regard to right of way matters.

## DESCHUTES COUNTY OFFICES ARE MOVED

County School Superintendent J. Alton Thompson and Assessor A. A. Anderson have moved their offices from the west end of the court house building to the rooms formerly used by the Deschutes National Forest service. The change of location will make possible a special jury room for use during the coming session of the circuit court.

## BUSINESS WITH BEND DESIRED

### FREMONT-WASTINA COMMUNITY CLUB ENTERTAINS BEND VISITORS, AND GIVES EFFICIENCY DEMONSTRATION.

Desire of the people of the Fremont community to tie up commercially with Bend was shown Saturday night at the meeting of the Fremont-Wastina Community club, attended by a delegation of Bend business men on the invitation of the club. The visitors from Deschutes county were guests of honor at a dinner and dance, and afterwards were taken to the homes of ranchers where they spent the night, returning to Bend on Sunday.

During the business session, the Bend delegation were given a demonstration of how to run a commercial club. Committees of the Fremont-Wastina organization were apparently functioning most efficiently, and even turned in written reports, the visitors noted.

A. G. Clark was the chief speaker for Bend, his remarks on home industry being received with great enthusiasm. D. H. Peoples spoke of the cooperation of financial institutions in connection with the general development of the country, and L. Antles ably summarized the relations existing between Bend and the Fremont country, emphasizing the willingness of the business men of Bend to cooperate in increasing mutual prosperity. Claude Smith entertained with jokes and stories.

## PLAN SMOKERS FOR NOVEMBER

### THREE BOUTS ON 13TH, ALL-STAR EVENTS THANKSGIVING AFTERNOON — CARROLL IS MATCHMAKER REST OF YEAR.

Two smokers during November are planned by Charles Carroll, matchmaker appointed for the remainder of the year last week by the boxing commission. The first will be November 14, with Speck Woods meeting Joe Dunn of Portland in the main event. On Thanksgiving afternoon, the winner of the Woods-Dunn fight will meet the best man who can be secured on the coast, says Carroll. Duffy Knorr will also appear on this card with Ray Rose of Portland. Both smokers will be conducted under the auspices of the American Legion.

Carroll was appointed after Paul Hosmer, designated some time ago by the Legion as its choice, refused the position, which the commissioner offered him.

The November 14 smoker will have as attractions supporting the main event a six round bout between Gene Rose and "Frenchie" Le Clair, and a four round go between Eddie Claire and Cleo Sowards, who are expected to mix from the first sound of the gong this time, as both are rather huffy over the outcome of the last fight.

The Thanksgiving smoker, which will begin at 3 o'clock in the afternoon, so as to allow for the other events which the Legion plans in the evening, will be an all-star event, Carroll promises.

Seats for the smoker November 14 will be on sale at the Windmill, Metropolitan, Pastime, Waldorf, Dragich & Springer's and O'Neil & Johnson's.

## INNES DEPUTY FOR GRAND CHANCELLOR

J. S. Innes of this city has received notice from the grand lodge of the Knights of Pythias that he has been chosen as district deputy grand chancellor for the territory including Deschutes, Jefferson, and Crook counties.

Deputies for the various lodges in his jurisdiction are: Robert C. Ireland, Luna Lodge o. 65, Prineville; L. F. Orrell, Deschutes Lodge No. 103, Bend; Sidney Loyd, Redmond Lodge No. 110, Redmond; Ira P. Holcomb, Bradshaw Lodge No. 113, Madras.

## COUNTY SPUDS RATED HIGH AT NATIONAL SHOW

### NETTED GEMS GIVEN SPECIAL AWARD

#### EXHIBIT COMES LATE

### Deschutes Entries Not Regularly Judged, But Get Better Than First Prize For Their "Outstanding Qualities."

Central Oregon spuds were big winners at the National Potato show at Duluth, according to a telegram received Monday morning by Secretary L. Antles of the Bend Commercial club. A peck of Deschutes county Netted Gem potatoes received a special award for their "outstanding qualities, and a peck of Irish Cobblers from Crook county took first in their class, as well as being declared the best peck from a distance of more than 500 miles.

The peck of Netted Gem potatoes entered at the national show, arrived too late for the regular judging, but the high class of the exhibit was shown in the fact that the special prize given was for \$25, while the first prize in any given class is \$10. This is taken as indicating that had the Deschutes county spuds arrived a day earlier, they would have had at the very least, an excellent chance of taking the sweepstakes for the best peck in any class, believes M. G. Coe, who first suggested entering Deschutes county potatoes at Duluth, and who, with County Agent D. L. Jamison selected the peck of tubers, representative of the best from farms in various parts of the county, which were given such high recognition by the judges.

#### Display Sent to Portland

"Your peck of Netted Gems arrived too late for regular judging, but were given a special award of \$25 for their outstanding qualities," says the telegram received at Commercial club headquarters announcing the success of the county exhibit. "The other peck won first prize in their class, and the special prize as the best from beyond 500 miles. You were also awarded second prize among winners from greatest distances."

The "other peck" alluded to in the telegram is that from Crook county, Secretary L. Antles of the club explained. He considers that only the fact that the Deschutes county peck arrived too late for regular judging prevented the entire Central Oregon exhibit from drawing the first prize for entries from the greatest distance.

Following the sending of Deschutes county's potato display to Portland to be entered at the Land Products show in that city, Coe and Jamison will leave tonight to be present at the judging. In view of the high place accorded the Netted Gems of Deschutes county at the national show, Coe is confident that the exhibit will be successful in Portland. A third exhibit is to be made at the Spokane Potato show in December.

## B. H. S. ELEVEN WINS 6-0 GAME

### BLOCKED PUNT BEHIND MADRAS GOAL LINE RESULTS IN ONLY TALLY—PENALTY REEPS OPPONENTS SCORELESS.

(Special to The Bulletin.)

MADRAS, Oct. 29.—Bend vanquished the Jefferson high school eleven here in the afternoon when in the second quarter a punt was blocked behind the Madras goal line. The ball was Bend's on the one yard line, and McNeely carried it over. The attempt to kick goal failed.

There was no other scoring during the game. Three times the Jefferson county backs bucked the ball to the one yard line, then were unable to go over. Once the pigskin was actually put over, but a 15 yard penalty for holding nullified the tally.
