

MILL SHIPPING IN PAST MONTH IS NEW RECORD

How the strengthening lumber market is affecting the Bend mills was shown when both the Shevlin-Hixon company and the Brooks-Scanlon Lumber company announced that shipments from here during the month of May constituted a new record for all the time that the two plants have operated.

This shipping figure includes the first shipment of charcoal ever made from a local plant, a carload having been sent to Portland from the by-product test plant operating in conjunction with Brooks-Scanlon lumber production.

PREPARE PICTURES FOR PORTLAND SHOW

Exhibit To Be Made By Bend Commercial Club At Tourist And Sportsmen's Fair.

Seward & Norcott and Symons Bros., Bend scenic photographers, are preparing some of their best pictures to be sent to Portland for exhibition in the space allotted to Bend in the Tourist & Sportsmen's fair at the armory.

Copies of the directors' resolution, opposing the extension of Crater Lake National park to include Diamond lake, were ordered sent to the Pendleton Chamber of Commerce and other organizations throughout the state.

CAMPAIGNS COST LITTLE, REVEALED

Candidates' expenses in the recent primary election reported to date to County Clerk J. H. Haner totaled only \$264.48, and were confined to republicans seeking the nomination for county commissioner.

TINY DANCERS TAKE PART IN PAGEANT

Tiny pupils of Miss Irene C. Karr Saturday delighted an audience of over 400 people at the American Legion building, appearing in the dainty dances of "The Fairies' Revel," spring pageant.

FOR MEAN SUMMER COLD

Rev. W. W. Smith, Pennagrove, N. J., Box 12, writes: "I have tried many different medicines but none relieved the cold in my throat until I used Foley's Honey and Tar."

Year Most Successful In City Schools Says Moore In Annual Review of Work

"The year 1921-1922 has been one of the most satisfactory from the standpoint of efficiency that this school system has ever experienced," is the declaration of S. W. Moore, retiring city superintendent, in his final report submitted to the school board this week.

"The faculty for the most part has been well balanced, with the result that the organization was kept up and the preparation of the teachers, coupled with their ability, has resulted in very satisfactory work in the classroom."

"One of the outstanding features of the past year has been the economy schedule under which the schools have been operated. A maximum of operation has been accomplished at a minimum cost of operation."

"Fewer Failures Reported In his summary, Moore states: 'An average of 7 per cent of pupils attending failed in their work. This is a reduction of 2 per cent from last year.'

"The Bend public schools are organized on the six-six plan with departmental work in the fifth and sixth grades. This plan is the latest and best of the modern American plans in successful operation at the present time and eliminates the old German, eight grade, elementary school, the reverence to which would mean inefficiency."

"At the earliest possible moment a suitable high school should be provided and the present high school building completed and given over to the Central school as a grade building. This plant should also house the junior high school for a considerable period."

Enrollment in the high school during the past semester has been: Ninth B, 19 boys, 28 girls, total 47; Ninth A, 15 boys, 26 girls, total 41; Tenth B, 16 boys, 11 girls, 27; Tenth A, 11 boys, 25 girls, 36; Eleventh B, 10 boys, 17 girls, 27; Eleventh A, 13 boys, 19 girls, 32; Twelfth A, 8 boys, 16 girls, 24.

Enrollment in the junior high has been: Seventh A, 26 boys, 23 girls, 49; Seventh B, 26 boys, 27 girls, 53; Eighth B, 21 boys, 19 girls, 40; Eighth A, 14 boys, 24 girls, 38. The total number of students in the high school at the end of the semester was 295, including 79 boys and 126 girls; and in the junior high, 157, including 78 boys and 79 girls. The number of students belonging to the junior and senior high was 362, against 364 at the end of the first semester.

Student Treasury Full

The high school student body treasury is shown to be in a healthy condition following the year's faculty management. A bank balance of \$221.54 is reported. Football netted a profit of \$227.93, basketball a profit of \$4.95, while baseball netted a loss of \$46.05, track a loss of \$25.15, debate a loss of \$16.75. The girls' glee club, with its two entertainments, ended the year with a balance of \$81.84 to its credit.

Reid Enrollment Greater

An enrollment of 39 pupils to the room was reported at the Reid school by Miss Nellie E. Tift principal. The second semester was devoted entirely to school work, the only entertainments being three patriotic programs. The Reid school won the baseball championship of the city grade schools, and its representative took first place in the Central Oregon School day declamatory contest in

the first division. Enrollment increased from 256 pupils in January to 268 in May.

About 90 per cent of the pupils were promoted at the end of the term. Reid school is unique in that it had but one case of truancy during the year, and the parents of the one guilty child sent an excuse. There was little tardiness or absence, Miss Tift reports.

Student activities included organization of a four-piece orchestra and a hiking club, and the holding of popcorn sales and spelling contests.

Kenwood Speaker Wins Kenwood school's representative in the declamatory contest of Central Oregon School day was victorious, according to the report of Miss Evelyn Carlson. Enrollment in May was 201, against 190 in January.

Kenwood's activities were largely athletic, the school having shown strength in football, basketball and baseball. Coasting was a favorite pastime during the winter, several coasting clubs being organized.

Boys Given Responsibility

Two boys who were appointed health officers at the Central school were very helpful in looking after the welfare of the smaller pupils, according to the report of Mrs. J. D. Davidson, principal. Among the school activities were "Cleanup day," the Thanksgiving program, football and baseball. Three programs were given during the second semester.

FOR THOSE NO LONGER YOUNG

Don't mistake weak or disordered kidneys for approaching old age. Rheumatism, backache, headache, sore muscles, stiff joints, come when kidneys get out of order and fail properly to filter the blood. Foley Kidney Pills tone up the kidneys, and stop sleep disturbing bladder trouble. Sold Everywhere.—Adv.

NEW HAY SHOWING GREATER STRENGTH

So far as known the first sale of new hay comes from the office of the Oregon Co-operative Hay Growers. The local manager has been in the coast dairy sections looking over the market prospects and reports having sold several car loads of new crop hay at \$14.00 per ton f. o. b. Hermiston. While this is not a fancy price it is much better than last season. Local sheepmen are reported as offering from \$8 to \$9 in the stack.

HEMLOCK CAMPAIGN RESULTS OBSERVED

To inspect the progress being made on the upper Metolius in the experiment to determine the most efficient methods for the eradication of the poison hemlock, Forest Examiner Jack Horton of the Deschutes National forest left Bend Saturday afternoon. A determined effort is being made to kill off the deadly weed, which in past years has caused heavy losses of livestock on the Sisters-Metolius range.

HIS FRIEND RECOMMENDED THEM

W. H. Shadwell, Stanley, Va., writes: "I had kidney trouble which disabled me, until Foley Kidney Pills were recommended to me by the Chief of the Fire Department. After using three bottles I was completely relieved and have never had a return of the symptoms." Give quick relief. Sold Everywhere.—Adv.

PERMITS SHOW MUCH BUILDING

Cost of Total Construction Started In May, \$57,940 Including Oil Plant.

Steady building in Bend during the spring months is indicated by the total amount shown on the building permits for May, \$5,690. This, added to the cost of the Union Oil Co. tankage and warehouse plant, which is just outside the city limits, \$49,250 makes the total cost of buildings started during the month \$57,940, which far exceeds the total for any month in the last two years.

Local artisans have been even busier than these totals show, for construction of the Hubble service station was continued into May, the Methodist church interior has kept a number of carpenters and plasterers busy, and a number of dwellings started in the previous month were still under construction.

Permits Increase

Following is the list of permits for May: W. J. Coleman, Delaware avenue, five-room frame dwelling with basement, 26 by 40 feet, to cost \$2,500. Stone foundation, plastered inside. R. H. Loop, contractor.

John Hagen, Broadway, five-room frame dwelling with basement, 28 by 34 feet, to cost \$2,000. Stone foundation, plastered.

T. M. Ward, Franklin avenue, four-room frame dwelling with basement, 26 by 34 feet, also small garage and woodshed on same premises, to cost \$2,000. House plastered, shingle roof.

Charles S. Marrin, Kenwood, four-room frame dwelling with small basement, 24 by 32 feet, also frame garage, \$900. House plastered, shingle roof.

J. M. Valitcka, Federal street, four-room frame dwelling, stone foundation, 22 by 26 feet, also woodshed, \$800. Shingle roof, house plastered.

George J. Childs, 1436 West First, brick addition to dwelling, two rooms, 12 by 21 feet, two story, \$250. Stone foundation.

C. P. Agee, 1135 Albany, two-room addition to frame dwelling, 12 by 24 feet, \$200. Boarded and papered.

L. E. Shipley, 574 Hastings place, repairs on dwelling, \$40.

M'GILVRAY HEADS BEND HIGH ALUMNI

Louise Inabnit And Fern Aellen Elected To Other Offices—Annual Reception Held.

In strong contrast to the commencement exercises of Friday night were the experiences undergone on the following evening by the boys of the graduating class of 1922, when they were initiated into the ranks of the alumni. One of the most striking "stunts" which they were called up to perform was the peanut race.

Fifty persons, attired in overalls and gingham dresses, attended the annual reception at the Elks' auditorium. The garb was thankfully worn on account of the warm evening, and the affair was pronounced a success. Punch was served.

Officers unanimously elected for the coming year were Ivan McGillvray, president; Louise Inabnit, vice president, and Fern Aellen, secretary-treasurer.

DOWN LOGS BURNED IN SATURDAY FIRE

Approximately 100 acres of pine timber was burned over on the Tumalo segregation Saturday, and 40,000 feet of down logs destroyed before the blaze near the Michaelson mill near the Tumalo headgates was controlled by Fire Warden J. D. Bowman. Rain did not fall in that section Saturday, it was reported.

SENIORS PLEASED WITH LAKE OUTING

Well pleased with their outing in spite of blistered hands and feet, the Bend high school seniors returned last week from Suttles lake, where they camped for two days. Thursday night the seniors will be guests of the junior class at the annual junior-senior banquet at the Elks' club.

MILLMAN'S BROTHER PASSES IN MISSOURI

Word was received at the Brooks-Scanlon office last week from Harry Henderson, lawyer in the local mill, to the effect that his brother, whose critical illness recently called the Bend man east, had died in Bolivar, Missouri.

Taxicab Driver Badly Hurt; Then Assaultants Say It's All a Mistake

"Bob" Enders, former Bend taxicab and stage driver, was held up and assaulted by two men, who were driving a Paige car, understood to have been from Bend, while driving into Klamath Falls, his present home several days ago, according to word received here. After "beating up" Enders until his wife was unable to recognize him when he reached home, the men told him that they had made a mistake, thinking him to be another man.

SNOW AND HEAT MIX DURING PAST MONTH

Range of 67 Degrees Recorded Through 31 Days—Rainfall Totals 1.45 of An Inch.

Summer came with a bang during May, the outstanding feature of the month's temperature being the successive fracturing on the 16th and the 17th, of the May heat record, figures from the U. S. cooperative meteorological observer's books show. Ninety degrees was the high mark for the month, and 23 degrees the minimum. Four inches of snow fell a week preceding the hot wave, and total precipitation was 1.45 of an inch, with the greatest rainfall on the night of May 20, when 9 of an inch was recorded.

Table with columns: Date, Max., Min., Character of day. Rows list daily weather data for May 1st through May 31st.

NEW HIGHWAY FOUND IN GOOD CONDITION

The Dalles-California highway is now open from the north end of Paulina prairie to La Pine, this being the section which was built last fall. It is reported to be in fair condition. The highway leaves the road formerly in use, at the north end of Paulina prairie, branching off to the left from the East lake road 30 rods beyond the fence corner at the edge of the prairie.

SEWING EXHIBITION REVEALS ABILITY

That the domestic science students of Bend high school have made strides toward becoming competent housewives, may be judged from the class of work revealed in the exhibition of sewing held in the domestic science room at the high school building last week.

LEGAL NOTICES

NOTICE FOR PUBLICATION

Department of the Interior U. S. LAND OFFICE at The Dalles, Oregon, May 19, 1922. Notice is hereby given that Jessie A. Stockwell, whose post-office address is 804 Harriman street, Bend, Oregon, did, on the 12th day of October, 1921, file in this office sworn statement and application, No. 022-595, to purchase the SE 1/4 SW 1/4, section 26, township 19 south, range 12 East, Willamette Meridian, and

CATARRHAL DEAFNESS

is greatly relieved by constitutional treatment. HALL'S CATARRH MEDICINE is a constitutional remedy. Catarrhal Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed, Deafness is the result. Unless the inflammation can be reduced, your hearing may be destroyed forever. HALL'S CATARRH MEDICINE acts through the blood on the mucous surfaces of the system, thus reducing the inflammation and assisting Nature in restoring normal conditions. Circulate free. All Druggists. P. J. Cheney & Co., Toledo, Ohio.

the timber thereon, under the provisions of the act of June 3, 1878, and acts amendatory, known as the "Timber and Stone Law," at such value as might be fixed by appraisal, and that, pursuant to such application, the land and timber thereon have been appraised, at \$100 the timber estimated 40,000 board feet at \$2.00 per M, and the land \$20; that said applicant will offer final proof in support of his application and sworn statement on the 25th day of July, 1922, before H. C. Ellis, United States Commissioner, at his office, at Bend, Oregon.

Any person is at liberty to protest this purchase before entry, or initiate a contest at any time before patent issues, by filing a corroborated affidavit in this office, alleging facts which would defeat the entry. J. W. DONNELLY, Register.

In the Circuit Court of the State of Oregon for Deschutes County.

C. M. Redfield, Plaintiff, vs. Ross Rountree, Lillian Rountree, Charles A. Carroll, Defendants;

To Ross Rountree and Lillian Rountree, Defendants above named; in the name of the State of Oregon; you are hereby required to appear and answer the Complaint of the Plaintiff filed against you in the above entitled suit on or before Saturday, the 1st day of July, 1922; and if you fail to answer the Plaintiff will take judgment against you and each of you for the sum of \$1500.00 with interest thereon from November 6th, 1920, at the rate of 8% per annum; for the sum of \$150.00 Attorneys fees and for his cost and disbursements herein; this proceeding is for the foreclosure of a mortgage upon Lot (4) of Block (21) of Bend, Deschutes County, Oregon.

This Summons is ordered to be served upon you by the publication thereof in the Bend Bulletin, weekly Edition, a weekly newspaper published in Deschutes County, Oregon, said order being made and entered on May 17th, 1922; date of first publication, May 18th, 1922; length of publication six successive weeks. Dated this 18th day of May, 1922. C. S. Benson, Attorney for Plaintiff, Bend, Oregon.

NOTICE FOR PUBLICATION

Department of the Interior

U. S. LAND OFFICE at The Dalles, Oregon, April 25, 1922. Notice is hereby given that Malcolm J. W. Vougt, of Tumalo, Oregon, who, on May 25, 1917, made homestead entry, No. 018922, for E 1/2 NW 1/4, lot 2 and SW 1/4 NE 1/4, section 18, township 16 South, range 11 East, Willamette Meridian, has filed notice of intention to make three-year proof, to establish claim to the land above described, before H. C. Ellis, United States Commissioner, at Bend, Oregon, on the 14th day of June, 1922.

Claimant names as witnesses: James A. W. Scoggins, Hubert A. Scoggins and Alex Leverenz, all of Plainview, Oregon; Howard T. Hartley, of Sisters, Oregon. J. W. DONNELLY, Register.

NOTICE FOR PUBLICATION

Department of the Interior

U. S. Land Office at The Dalles, Oregon, April 20, 1922. NOTICE is hereby given that Gale Sheldon Blakley, whose post-office address is 504 Congress street, Bend, Oregon, did, on the 11th day of October, 1921, file in this office sworn statement and application, No. 022-592, to purchase the S 1/2 NW 1/4, section 32, township 19 South, range 12 East, Willamette Meridian, and the timber thereon, under the provisions of the act of June 3, 1878, and acts amendatory, known as the "Timber and Stone Law," at such value as might be fixed by appraisal, and that, pursuant to such application, the land and timber thereon have been appraised, at \$600 the timber estimated 230,000 board feet at \$2.00 per M, and the land \$40; that said applicant will offer final proof in support of his application and sworn statement on the 12th day of July, 1922, before H. C. Ellis, United States Commissioner at his office, at Bend, Oregon.

Any person is at liberty to protest this purchase before entry, or initiate a contest at any time before patent issues, by filing a corroborated affidavit in this office, alleging facts which would defeat the entry. J. W. DONNELLY, Register.

NOTICE OF SALE

Notice is hereby given that the board of directors of Squaw Creek Irrigation district will receive sealed bids at the hour of 2 o'clock p. m., June 6, 1922, at the office of the said board in Sisters, Oregon, for \$25,000 Squaw Creek Irrigation district bonds dated July 1, 1921, due serially, as follows: \$2000 July 1, 1922, \$2100 July 1, 1923, \$2300 July 1, 1924, \$2400 July 1, 1925, \$2500 July 1, 1926, \$2700 July 1, 1927, \$2900 July 1, 1928, \$3100 July 1, 1929, and \$3100 July 1, 1930, being in various denominations and bearing interest at the rate of six per cent, (6 per cent) per annum, payable semi-annually, January first and July first of each year, both principal and semi-annual interest being payable at the Fiscal Agency of the State of Oregon in New York City.

As a good-faith deposit each bidder must accompany his offer by a check for \$10,000, certified by any bank in Deschutes County, Oregon. All bids must be unconditional and the successful bidder shall be required to take up and pay for said bonds on the day of award. The board reserves the right to reject any and all bids. GUS E. STADIG, President, Board of Directors, Squaw Creek Irrigation District. Attest: GEORGE E. AITKEN, Secretary.

BUY A FORD and Spend The Difference-- Too many people are induced to purchase large cars by appeal to vanity alone. We can look about and see any number of large cars in use—the owners of which are not nearly as well prepared for a "rainy day" as they are for a blowout. Many Ford car owners could afford a larger car, but it is far more profitable to operate a Ford. The Ford is dependable, efficient, easy to operate and indicates genuine good common sense on the part of the owner in buying cheap transportation. Less in first cost; more value in resale; lowest in maintenance cost. Buy a Ford and either save or spend the difference. High grade repair work at lowest cost. Terms on your repair work. Central Oregon Motor Co. J. L. Van Huffel Bend, Oregon Ford Sales and A. G. Clark Service
