

**Additional Locals.**

—We received a letter from J. C. Wooley yesterday, who now resides in Huntington he is in the livery business in that place and writes very encouraging. We hope he will do well.

—Since our last issue we have been having some pretty cold weather. Thursday night the minimum thermometer registered 21 degrees below zero, Friday night 25 below, Saturday night 21 below.

—Messrs. Lytle Howard, Frank his son, and Jas. Howard came in from Prineville last Saturday bringing the famous race horse Red S. and Dick Hooten.

—Percy Davis has been stopping in town for the several days. Percy is going to try for a fortune in the Trout Creek mines. We certainly wish him success.

—Albert Oakerman, son of Fred Oakerman residing on Silver Creek, cut his foot with an ax some time since, and from what we understand the wound was not considered of consequence at the time and probably did not receive the attention it should have, erysipelas followed and made it necessary to send for a physician. Dr. Marsden was sent for and reports his patient doing well.

—Messrs. F. D. Swingle, S. W. and E. G. Kilgore and W. F. Arant of Klamath county this state passed through here a few days ago on their return from East St. Louis Mo. These gentlemen delivered to Pomeroy and Hanley commissioned merchants of East St. Louis 10 car loads of horses. They were promised by the above named commission men good fair prices for horses weighing 12 to 14 hundred each, and further were urged by these men to ship at the time they did assuring them the market was good and horses of the weight already mentioned would net them from \$35 to \$50 and \$60 each. Upon this promise and having confidence in Messrs Pomeroy and Hanley these men put their horses on the market in the hands of Pomeroy and Hanley, only to be swindled, the latter immediately disposing of the horses at figures barely covering freight and commission.
