Yes, we have laws in this country to fit every crime, but if the culprit has "influence" the crime seldom fits the law.

The fellow who never reads the ads in his local paper is like the blind man who walks over a dollar. He never knows what he misses.

A smile costs nothing, but a frown is an expensive luxury.

Wise and Otherwise

No, brother, the world is not all bad. You and us, for instance.

Yes, the gentleman from Ohio was elected. He was also defeated.

Deprive a bookworm of his book and only a worm is left.

Many a man of brains is short on common sense.

Keep moving, brother. Other people are too busy getting their themselves to get behind you and push.

Necessity, they say, is the mother of invention. But it is not always the father of failures.

And still, it isn't every king who goes to heaven by way of a monkey bite.

When a fellow moves away nearly everybody hates to see him go—except his next door neighbor.

Many a brave man feels his courage slipping away as he enters his front door.

The world was made for all people, but there are always a few who do not want to divide up.

Of course, when a man and his wife disagree on politics, the man has a legitimate right to change his mind.

After being told just how to vote, the dear women proceeded to carefully carry out instructions by voting as they pleased.

'Tis said that anthropologists are making another effort to locate the original Garden of Eden. And if they find Eve at home here's hoping their eyesight won't suffer.

"NOW-A-DAYS"

says the Good Judge

A man can get a heap more satisfaction from a small chew of this class of tobacco, than he ever could get from a big chew of the old kind.

He finds it costs less, too. The good tobacco taste lasts so much longer he doesn't need to have a fresh chew nearly as often.

Any man who uses the Real Tobacco Chew will tell you that.
