Arthur Lee "Art" Raymond, 86, of John Day passed away Wednesday, Oct. 12, at Valley View Assisted Living Facility. No public services will be held at this time.

Raymond was born in Delta, Colorado, on June 22, 1930. He married Dolores Hughet in July of 1951, just before leaving to serve in the Marines at Camp Pendleton in September of 1951. He stayed stateside and trained troops on driving Ducks (amphibious vehicles) and was promoted to lance corporal. Their first son, Steve, was born in California.

After the Marines, the couple made their home in Burns. They had three more children Scott, Chris (Lynn) and Judy (Kevin). Raymond worked for Edward Hines Lumber Co. for 50 years as a millwright. He also worked part time for Nyleen's Hardware.

Raymond loved the outdoors, hunting, fishing and camping. He was also a 60-year member of the Elks Lodge.

Art and Dolores divorced in 1982 after 31 years. They had six grandchildren and four great-grandchildren.

Raymond began his next chapter when he married Barb Davis in June of 1987 and gained his second family, Tom (Susan), Laura (Bob) and Lynda (Terry). The couple lived in Burns, Weiser, Meridian and John Day. They had nine grandchildren, 22 great-grandchildren and three great-great-grandchildren. They were married for 29 years before Barb passed away on May 21, 2016.

Greater Smiles announces raffle winner

Blue Mountain Eagle

Brad Bailey of Burns won Greater Smiles raffle and received freezer full of grain-fed beef from the Pat Voigt Ranch. Cutting and wrapping will be provided by Russell's Custom Meats. Bailey purchased the winning ticket at Erickson's Thriftway in Burns, according to a Greater Smiles press release.

Greater Smiles held the drawing at the Squeeze In, which came in second in

Grant County in ticket sales and won a \$100 meat package from Russell's Custom Meats.

The Squeeze In is donating the meat package to the John Day Senior Center.

Erickson's Thriftway won second place in ticket sales in Harney County and received a \$100 meat package from Russell's Custom Meats.

The overall winner in ticket sales was Harney County Chamber of Commerce,

which sold over \$600 worth of tickets. For their efforts, they won a weekend in Newport that includes a fishing trip with Tradewinds, clam chowder at Mo's, lodging at the Hallmark Resort in Newport and dinner at George's Beachside Grill.

The final numbers are not in yet, but Greater Smiles estimates they raised close to \$10,000 to help provide major dental care to those who need a helping hand with their dental needs.

Bank introduces mobile debit card controls

Blue Mountain Eagle

Bank of Eastern Oregon has introduced a mobile phone-based tool for debit cards, MobiMoney.

MobiMoney gives customers a high degree of control over the use of their card, including instant notification of transactions, the ability to turn a card on or off and

enabling cardholders to fight fraud by setting controls and alerts, according to a press release from the bank.

"We are very excited to introduce this new product," Senior Vice President of Operations Becky Kindle said in the release. "MobiMoney will enable our cardholders to control their own debit cards, which will reduce their risk

of fraud and identity theft, as well as provide them with access to real-time transaction history and account balances. In this age of highly sophisticated account hackers, we feel this is a valuable tool for each and every one of our cardholders with a mobile device."

With MobiMoney, BEO debit card customers also have

the ability to transfer between accounts tied to their cards. Additionally, customers can now specify when they want their card to work within a specified country or area, and also turn off certain types of transactions, such as online or those from a specific merchant.

To download MobiMoney, visit the Apple App Store or Google Play.

KJDY, Sunday, 7 a.m. "Hymm Sing"

Morgan Dayton King was an extraordinary man with a kind heart. His big smile and contagious laugh brightened any room he entered. Morgan was born in Bryan, Texas to an adoring father, Robert King, who gave him his name. Morgan would spend his childhood between Texas and Colorado enjoying the great outdoors, a past time he enjoyed into his adulthood. Morgan had a love for travel and adventure and visited many of our national parks and forests. He attended SMU and received a brokers license with the state of Texas. He was a gifted artist, oftentimes decorating his and his wife's home with his custom work. Morgan and his wife moved to the Pacific Northwest to escape to a more simple, organic, healthy lifestyle. Morgan was a man of exquisite taste, vast intelligence, and deep emotional depth. His sense of humor, intellectual conversations, compassion, understanding, and tenderness made Morgan irresistible to be around. Morgan was an amazing dancer who seemed to draw everyone in around him when he hit the floor. Morgan and his beloved wife and step daughter shared a love of wrestling and attended shows and watched regularly. Morgan is deeply missed everyday by those who truly loved him. Morgan is painfully survived by his adoring wife Natalie King, and his beloved step daughter Jillian. His brother Robin King, and family in Houston. Morgan was preceded in death by his parents Robert King and Gwen Giles. Morgan will always be in our hearts and on our minds forever. We will never be the same. And we are far better off for knowing him. I am honored to be called his wife. June 9 1980 - July 26 2016

A MAN WAKES UP in the morning after sleeping on... an advertised bed, in advertised pajamas.

He will bathe in an ADVERTISED TUB, shave with an ADVERTISED RAZOR, have a breakfast of ADVERTISED JUICE, cereal and toast, toasted in an ADVERTISED TOASTER, put on ADVERTISED CLOTHES and glance at his ADVERTISED WATCH. He'll ride to work in his ADVERTISED CAR, sit at an ADVERTISED DESK and write with an ADVERTISED PEN. Yet this person hesitates to advertise, saying that advertising doesn't pay. Finally, when his non-advertised business is going under, HE'LL ADVERTISE IT FOR SALE. Then it's too late.

AND THEY SAY ADVERTISING DOESN'T WORK? DON'T MAKE THIS SAME MISTAKE

Advertising is an investment, not an expense. Think about it!
