OUR MISSION STATEMENT:

Old West Federal Credit Union strives to offer a wide range of services designed to improve the economic and social well being of our members. We strive to adapt to the ever-changing financial environment to provide the best service, value, and education to our members.

OUR HISTORY

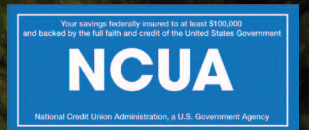

Old West Federal Credit Union was originally chartered in 1957 to serve the employees of the Hines Lumber Company in Bates, Oregon. Over the years, we have expanded our charter several times; today we serve eight eastern Oregon counties. Our charter covers Grant, Baker, Union, Wallowa, Umatilla, Morrow, Wheeler, and Harney counties.

We strive to serve all financial needs of our membership. We offer a wide range of checking options, including our free high interest Grow Green Checking account, as well as saving accounts to help you make the most of your money. All of our accounts come with state-of-the-art services to make accessing your account easy, like online banking, mobile banking, and text banking.

Our lending staff is fully trained to offer a wide variety of loans to meet your needs. From Ag to Commercial, Real Estate to Consumer, we do them all! Long-term agriculture real estate loans have become a large part of our lending. We process more "Farmer Mac" loans than any other depository institutions in Oregon.

MEMBERSHIP

Membership is open to anyone who lives, works, owns property, or worships in Morrow, Umatilla, Union, Wallowa, Wheeler, Grant, Baker or Harney counties. Take a look around our site and see what we can do for you. We look forward to serving you!
