3RD ANNUAL COMMUNITY SCREEN WEEK

November 14-18, 2016

FOR CHILDREN 2 MONTHS - 5 YEARS OLD

Will your child be left behind? Does your child struggle with any areas of development? Will your child be ready for kindergarten? If children enter kindergarten behind their peers and do not "catch up" by third grade, it is unlikely that they will have a successful educational experience. Screening young children is an effective way to catch problems and provide parents and children with needed skills when it does the most good - during the crucial early years when the child's brain and body are developing so rapidly.

Screeners will use the Ages & Stages Questionnaire (ASQ) to look at cognitive, fine motor social/emotional, gross motor, and communication skills.

DO YOU NEED HEALTH INSURANCE?

Since 2013 with all the changes and requirements in healthcare, Blue Mountain Hospital District (BMH) has been offering the community assistance with this confusing process. Elizabeth Pace and Pam Wilson are certified through the State of Oregon as Application Assistors. As Application Assistors they are trained to help with Qualified Health Plans through the federal website Healthcare.gov.

THIS SERVICE IS OFFERED FREE OF CHARGE TO OUR COMMUNITY AND IT TAKES THE CONFUSION AND HASSLE OUT OF THE LENGTHY PROCESS.

During open enrollment people are able to go online, sign up and apply for health insurance. The benefit of the federal website is that it is the only way you can apply for premium tax credits and cost sharing benefits. Elizabeth and Pam are also trained and certified to help patients with low income health insurance through the Oregon Health Plan.

IF A PATIENT COMES IN WITH NO INSURANCE AND IMMEDIATE MEDICAL NEEDS, ASSISTORS ARE ABLE TO DETERMINE ELIGIBILITY AND IF A PATIENT QUALIFIES GET THEM IMMEDIATE LIMITED COVERAGE THROUGH THE PRESUMPTIVE APPLICATION PROCESS.

Applications are available at BMH and Assistors offer assistance in filling them out. They can copy any needed information required by the State of Oregon and fax your application in. Faxing your application eliminates them being lost in the mail and they arrive sooner.

ASSISTORS ARE ABLE TO MAKE PHONE CALLS ON YOUR BEHALF REGARDING APPLICATION STATUS, AND MAKE RETRO REQUESTS IF YOU HAVE PREVIOUS MEDICAL BILLS.

Starting January 2017, there will be a new website for the Oregon Health Plan that will be open to the public.
