## Mail Ta Come By Freight

 The government is advertising forbids for the carrying of parcel post
mail from Portan't to Coos Ray and as the steamer, Breakwater is the
only vessel making regular trips betyeen the two ports. it is believed
the connets of that vessel will get the Mal is now coming, into Cone trom Roseburg, but in. winter the
condition of the roads is so bat and the mail so heavy that if is ahmost
impossible to get over this route,
and frequeftly there are long delays The fint-class majl matter is const-
antly increasing, and with the oddi-
tion of qhe parcel post matter the goverment is seriously hindicap poor trausportation facilities.
Ouing to Oving to the fact that freight from
Portland is slow at best, many small packages 'within't he permissible weight come here by parcel por,
thus sttimes saving several days' time, but under the new arangement
this will be impossible. Slow freight will gi ve equal service. With the completion of the Wil-
liamette-Pacific mail will Bc received that way, and the goverment officials handling this service with any degree handing this service with any degre nel.
