

THE PARSON'S REMEDY

By M. QUAD

Copyright, 1912, by Associated Literary Press.

It was love that brought about the marriage of Abraham Scott, a young farmer, with Tilda Hastings, and for the first year they were very happy. Then it happened that Tilda's mother passed a week with them, and when ready to go home she said: "Tilda, I've been watching things since I've been here."

Declare War on Colds.

A crusade of education which aims to make common within the next generation has been begun by prominent New York physicians. Here is a list of the "don'ts" which the doctors say will prevent the annual visitation of the cold:

Would Make Them Better if They Could.

The makers of Foley Kidney Pills know that they have absolutely the best combination of curative and healing medicines for kidney and bladder ailments and urinary irregularities that it is possible to produce.

Cause of Insomnia.

The most common cause of insomnia is disorders of the stomach and constipation. Chamberlain's Tablets correct these disorders and enable you to sleep.

For Children there is Nothing Better.

A cough medicine for children must help their coughs and colds without bad effects on their little stomachs and bowels. Foley's Honey and Tar exactly fills this need.

Tonight.

Tonight, if you feel dull and stupid, or bilious and constipated, take a dose of Chamberlain's Tablets and you will feel all right tomorrow.

Pain in Back and Rheumatism.

Torment thousands of people daily. Don't be one of these sufferers when for so little cost you can get well rid of the cause. Foley Kidney Pills begin their good work from the very first dose.

Birmingham, Ala. F. L. Willis suffered greatly from asthma and bronchitis. He writes: "I got no relief until I took Foley's Honey and Tar Compound. It entirely removed those choking sensations, and never failed to produce an easy and comfortable condition of the lungs."
