

TWO STARS ADDED

STATES OF OKLAHOMA AND NEW MEXICO ADMITTED.

Arizona Was Eliminated From Statehood Bill—Boundaries of New Mexico Not Changed.

After a continuous session of nine hours the senate passed the joint statehood bill. As passed the bill provides for the admission of the states of Oklahoma, comprised of the Indian Territory and Oklahoma Territory and New Mexico, according to its present boundaries, with Arizona eliminated.

The first surprise of the day came when the committee accepted Foraker's amendment providing for a separate vote by each of the territories of Arizona and New Mexico on the constitution to be adopted by the proposed state of Arizona. That provision had scarcely been made a part of the bill when Bard presented his amendment, which had been originally presented by Patterson, and provided for the admission of New Mexico as a state without the addition of Arizona.

This amendment proved the point around which subsequent proceedings of importance revolved. It was first adopted while the senate was in committee of the whole and reversed the senate proper. Subsequently the senate decided to entirely eliminate New Mexico and Arizona from the bill. This result had hardly been announced when Bard, in a slightly changed form, renewed his proposition for the admission of New Mexico as a state and this time the amendment prevailed. The effect was to eliminate Arizona from the bill and establish the state of New Mexico and another of Oklahoma and the Indian Territory. In this form the bill passed.

Eighth Grade Examinations.

The work of grading the papers for the eighth grade examination for Umatilla county was finished Monday. Of 40 who took the examination about two thirds were successful in passing. Milton headed the list with 19 students, and the number from each district ranges from several down to one. Athena schools did not contribute to the applicants for diplomas. On April 12, 13 and 14 another examination will be held, as also on May 17, 18 and 19 and June 7, 8 and 9. Students failing in any one of the examinations have the privilege of taking it over again as often as the examinations are held.

Health

means the ability to do a good day's work without undue fatigue and to find life worth living. You cannot have indigestion or constipation without its upsetting the liver and polluting the blood. Such a condition may be best and quickest obtained by Herbine, the best liver regulator that the world has ever known. Mrs. D. W. Smith writes April 3, 1902: "I use Herbine and find it the medicine for constipation and regulating the liver I ever used." Price 50 cents. Sold by McBride.

Taken Up.

At my place on Pine Creek, ten miles north of Athena, I have taken up the following described animals:
About December, 1902, one yearling Jersey steer, no brand visible, ear marked with half crop, with notch in end of each ear and underdeveloped, each ear marked the same.
About December, 1903, one 2-year-old red steer, brand (MS) on left hip and ear marked with split from center to tip of each ear. C. A. Barrett, Athena.

Fraud Exposed.

A few counterfeiters have lately been making and trying to sell imitations of Dr. King's New Discovery for consumption, coughs and colds, and other medicines, thereby defrauding the public. This is to warn you to beware of such people who seek to profit through stealing the reputation of medicines which have been successful curing disease for over 35 years. A sure protection to you is our name on the wrapper. Look for it on all Dr. King's or Bucklen's remedies, as all others are mere imitations. H. E. Bucklen & Co., Chicago, Ill., and Windsor, Canada. For sale by McBride.

Grave Trouble Foreseen.

It needs but little foresight to tell that when your stomach and liver are badly affected grave trouble is ahead unless you take the proper medicine for your disease. Mrs. John A. Young, Clay, N. Y., says: "I had neuralgia of the liver and stomach, my heart was weakened and I could not eat. I was very bad for a long time, but in Electric Bitters I found just what I needed, for they quickly relieved and cured me." Best medicine for weak women. Sold under guarantee by McBride, at 50c a bottle.

PNEUMONIA

follows a cold, but never follows the use of

FOLEY'S HONEY AND TAR

It stops the cough and heals the lungs and prevents a cold from settling on your lungs and resulting in Pneumonia, Pleurisy, or Consumption.

You are in no danger of serious results if FOLEY'S HONEY AND TAR is taken, as it soothes and heals the inflamed air passages and the cough disappears.

Be sure and get FOLEY'S HONEY AND TAR, as preparations containing opiates stop the cough temporarily by paralyzing the nerves in the throat and leave the germs of serious lung trouble and you get one cold on another because the first one was not cured perfectly.

Saved Her Life From Pneumonia.
"My wife had a severe attack of Pneumonia which followed a severe attack of La Grippe and I believe that FOLEY'S HONEY AND TAR saved her life," writes James Coffee, of Raymond, Missouri.

Dr. C. J. Bishop, Agnew, Mich., writes: "I have used FOLEY'S HONEY AND TAR in three very severe cases of Pneumonia with good results in every case."

Cured When Very Low With Pneumonia.
J. W. Bryan, of Lowder, Ill., writes: "My little boy was very low with Pneumonia. Unknown to the doctor we gave him FOLEY'S HONEY AND TAR. The result was magical and puzzled the doctor, as it immediately stopped the racking cough and he quickly recovered."
