JULY BIG 4 BIG Crowd

Beaverton celebrated in royal style on the fourth. E. A. Hendricks as Grand Marshal put things through on time. The Parade was better than ever before.

Miss Mary Fitzpatrick Goddess of Liberty, Madeline Vincent, Columbia, Pearl Hughson and Azale Young Maids of Honor, represented their respective parts with beauty and grace. When you beat Beaverton for good looks they will "travel some".

Mayor W. E. Pegg gave the crowd a merry welcome to the City.

C. H. Fry read the Declaration of Independence in bully shape. Hon. A. C. Allen of Portland delivered a masterly Oration on the subject of Patriotism and made the Eagle scream in great shape.

All the sports were exciting. The fellow who won in the pie-eating contest, knew how take care of the goods.

Morgan Hardy in the broncho-busting contest, gave the crowd "a taste of Round Up life" not to be forgotten soon.

The ball game between Garden Home and Beaverton was the best of the Season and resulted 4 to 1 in favor of Beaverton.

In the evening the Beaverton Band gave a big concert and the Progress Quartet sang and received a hearty encore.

The best celebration — 1912.

Loses Finger

Gopher-gun

Riglo Rossi one of the leading onion growers of this section shot off his little finger of his left hand while loading a gopher gun.

The wound while very painful will soon heal providing blood poisoning doesn't set in.

Dept. Did Bully Work.

Mc Gill's barn and root house one mile west of town burnt to the ground Thursday P.M.

An alarm was turned in and a big crowd of the boys hooked chemical No. 1 to Spranger's auto, and the way Spranger "let 'er go" wasn't slow.

By hard work of the Dept. and many others the house was saved. The origin of the fire is a little uncertain as we go to press but will be more definite in our next week's issue.

Those two chemical engines are paying well in saving property.

His Grace Arch Bishop Christie was a Beaverton visitor Friday.

Bad Accident With Shot Gun

The 13 year Son of Mr. Stone, of Cooper Mt. accidentally shot himself in the arm Friday morning by pulling a shot gun through the fence after him. The charge entered the arm midway between the wrist and forearm and ranging upward to the shoulder, making a very painful wound. Dr. Robinson dressed the wound and thinks he will be able to save the arm providing blood poisoning does not set in.

And We Got 'Em. 6 To 2.

In a game that was full of daring base stealing, hard hitting at the right time and team work that could not be beat, Beaverton took the Keystone team of Portland into camp. All the boys are playing like a house a fire right now, and don't forget the hat when it is passed around every little bit helps.

A. A. Pike called at the office and subscribed for The Owl "Glad to see the boys coming".

Mrs. D. C. Fisher and daughter Mae are visiting with Mr. & Mrs. J. C. Weatherford of Tacoma.

Got The Bacon Again.

Jack Johnson whipped Fireman Flynn on the 4th. and brought home the bacon again. One of these days the big smoke will run across a wild Hog.
