Second Teacher E. V. Band Concert Saturday In-re L. A. Kippes

Miss Roache arrived Saturday and will have charge of the language part of the High School work. She has had eight year work in languages and is a graduate of the State University where she played for four years on the girls basket ball team which will be interesting in view of the fact that there is good material this year for a girls team though as far as the High School is concerned, the boys will be lacking in material.

Remember this, that in the past the band has demonstrated its ability to play good music and give lively sketches and will on this occasion demonstrate more fully than ever this fact. The band is a local institution and deserves the peoples support. It will give a two hour and a half performance that is positively guaranteed to give satisfaction. Downing Married

J. R. Downing and Miss Gladys Painter were married at the residence of Dr. I. N. Sanders in Richland last Sunday evening at 7:00 o'clock, Rev. Frank Hopkins officiating. Mr. Downing is well known in Eagle Valley, where as an athlete, boxer, and wrestler, he has taken part in several contests. He has the name of "being on the square", and is highly respected by all who know him. The bride is from a well known and highly respected family of Pine Valley, and is the daughter of Mr. and Mrs. Sam Painter. The happy couple left Monday Morning for Baker, and will spend a short honeymoon period in Idaho and other points. Upon their return it is expected that they will make their home in Pine Valley.

The following account is taken from the Baker Democrat;

Jim Downing, champion pugilist of the Panhandle, mixed with Dan Cupid in a one-round go at Richland Sunday and took the count, but he won as a prize Miss Gladys Painter of Halfway for his bride.

With a marriage license stowed safely in an inside pocket, Downing left Baker in his auto at 9 o'clock Sunday morning. At Halfway he gathered up his bride-to-be and a few choice friends, and whirled them away to Richland.

Here at the residence of Dr. Sanders, Rev. Hopkins tied the knot that made Jim and Miss

Painter Mr. and Mrs. J. R. Downing. It was the intention of the nuptial party to reach Baker Sunday evening and spring a surprise on their friends, but at New Bridge the big machine broke down, as machines will, and they were obliged to make their way back to Richland. Early Monday morning, with the auto repaired, they started out again, and reached Baker in the forenoon.

The bride an attractive girl of 19, is the daughter of a well-to-do stock raiser of Halfway, and is one of the most popular young women of the community. The honeymoon of the Downings will include the Round-up of Pendleton and a trip to Portland. Mrs. Downing will then accompany her husband on a pugilistic trip into California where he expects to "lick em all."

Dr. A. H. Williams has decided that he will hereafter devote his time to the dental practice in Halfway and Cornucopia, leasing his Richland office. He says he has many friends and customers in Eagle valley that he hates to part with, but his business here is all that he feels he can attend to and after his next trip which he will make in a bout thirty days he will turn the Richland office over to another.

He does not deny the accusation made in these columns last week to the effect that the new cottage he will build on the property he recently purchased will be all together too large for

Says Petition Filed

A petition to make Geo. B. Saunders, present county commissioner, an independent candidate for county judge, is on file in the county clerk's office.

(Tuesday's Baker Democrat)
We feel that this is a step long anticipated in local politics. Geo. B. Saunders has proven an efficient and capable commissioner and would we believe make a good County Judge. The Panhandle needs more representation in our county business and at no time has road conditions been better in the Panhandle than during Geo. Saunders term as county commissioner and such seems to be the state of affairs through out the county. With this record to go on we believe that Baker county could hardly pick a better man and sincerely hope that Geo. B. Saunders will be our next County Judge.

the practice of dentistry alone, but he was as mad as a wet hornet because we let the cat out of the bag.

We extend a cordial invitation to all the ladies of the valley to attend our fall Opening Monday Sept. 28 1914, on which occasion we will have on display for your inspection and approval our fall and winter lines of which we feel proud don't forget to attend **E. & W. CHANDLER (Adv.)**
