**Amoskeag Ginghams and  
Scout Percales**

are the materials of which these Apron Dresses are made, and the quality is excellent. This assortment includes solid colors, checks, small plaids, two-toned effects, fancy patterns and many combinations.

**Styles**

The illustrations give you an idea of the cleverness of the styles. They're as trim and neat looking as can be! All are made with shaped sleeves, tie-back sash, and two pockets. Many styles to choose from!

**Trimmings**

The trimmings add much to the attractiveness of these garments. Many are trimmed with plain and fancy gingham and percale in contrasting colors, while others use chambray, organdy, colored bindings and rick-rack braid.

**The Fact Most  
Interesting to You**

The only way you are vitally interested in the fact that we operate hundreds of Stores is in what can the Store in his community do for you!

Primarily, it can and does save you considerable money because of the advantages that accrue from buying such large quantities of goods for so many stores.

Not only this, it can and does provide you with higher grades of goods than are usually found at or near the prices we ask.

Furthermore, you're provided with the new things while they are still new!
