

Professional Service

This is a store where the professional side of Pharmacy is emphasized.

We recognize our responsibility to the public.

To our technical knowledge and years of experience we add a superior service.

Our interests are mutual.

If right drugs, right service, and right prices are an inducement, we should like to be your family Druggists.

Grocery Buying Doesn't Require

the time and thought and attention that it used to.

Nowadays, at this modern store, we take care of the "worry part" of your grocery buying—we stand between you and impure foods and undesirable goods,—and the cost is no more than for inferior goods.

Get the Habit of Trading Here.
