NATIVE SON CANDIDATE

COUNTY COMMISSIONER

Renfrow Y. Porter of Walker is a candidate for the nomination

of County Commissioner on the Democratic ticket.

Mr. Porter has been a resident of Lane county for 58 years, having been born near Cottage Grove

in 1858. He has been a successful farmer and business man

and practically everyone in southern Lane county knows

"Bud" Porter. Mr. Porter has no opponent in the primaries

and his reputation for business-like methods, honest and square dealing will undoubtedly bring

him a great many votes from all parties at the election this Fall.

Mr. Porter stands for a common sense administration of the

county business, wants a dollar's

value for every dollar spent and if elected will see to it that this

condition prevails, regardless of politics.

AS GOOD AS  
A CHEW OF  
"SPEAR HEAD"

That Means the Supreme Degree of Rich, Luscious Tobacco Flavor

NO OTHER CHEW EQUALS IT

Nature varies the flavor she puts into the different grades of tobacco leaf—and the best of all is the flavor of choice red Burley that pleases you so mightily when you chew Spear Head. The delicious fruity flavor of a chew of Spear Head is a revelation to the man who has never chewed or who has been chewing near-good tobacco.

For chewing is the one way to get all the wholesome, healthful, appetizing flavor of the tobacco leaf—providing you chew a high-grade plug like Spear Head.

No other tobacco can compare with Spear Head in the wholesome satisfaction it gives.

You get more savory sweetness in a chew of Spear Head than in a whole plug of ordinary tobacco.

And you get it in its purest form—for Spear Head is made amid the most wholesome surroundings, in a great, new factory that's kept absolutely clean and sanitary.

Try this rich, mellow, satisfying, pure chew. Such a chew cannot be obtained in any other tobacco than Spear Head. In 10c cuts, wrapped in wax paper.
