**Northwest Wheat Crop Estimated at 55,000,000 Bushels**  
The wheat crop of the Pacific Northwest is estimated by grainmen at from 54,000,000 to 56,000,000 bushels. The remarkable improvement made in the past few weeks justifies them in raising their estimates to these figures. At the present time the weather could not be better for filling out, and glowing reports are coming in from all sections.

**Words Failed Her.**  
The budding authoress had purchased a typewriter, and one morning the agent called and asked:  
"How do you like your new typewriter, madam?"  
"It's wonderful!" was the enthusiastic reply. "I wonder how I ever done my writing without it."  
"Would you mind," asked the agent, "giving me a little testimonial to that effect?"  
"Certainly not," she responded. "I'll do it gladly."  
Seating herself at the machine, she pounded out the following:  
"After Using the Automatic Back-action type write, or for three months I can do it more than the Manufacturers claim! For it. During the time I have been in my possession for three months it had more than a paid for itself in these saving of time and labor!"—Everybody's Magazine.

**Ship 12 Cars Fruit Daily.**  
Puyallup, Wash.—With more than 8000 berry pickers in the valley and the berries ripening very fast, President W. H. Paulhamus, of the Fruit Growers' association, said that the association will ship a dozen cars of berries a day for the coming week.  
About 2000 pickers can still be used in the valley, Mr. Paulhamus estimates. Ranchers in the vicinity of Puyallup are in greater need of pickers than are summer ranchers, because most of the Puyallup berries are Antwerp and Marlboro, and ripen much faster than the Cutberts.

**Umatilla Crop Promising.**  
Pendleton, Or.—With harvest in Umatilla county a week or two late, predictions are that a much larger crop will be harvested than was expected a short time ago. The cold spring was a great hindrance to growing grain, but recent rains, followed by warm days have brought out the crops wonderfully, especially in the lighter grain sections. Wheat and barley are ripening rapidly. Usually cutting begins in most of the wheat sections shortly after July 10, but it is reported little will be cut this year before August 1.

**Hay Harvest Starts on Coast.**  
Marshfield, Or.—Haying season, which comes later on the Coast than elsewhere in Oregon, is in full swing and the crop is abundant. The ranchers on Coos river have been busy with their mowing machines for the past week, and the Coquille valley farmers are also harvesting their hay. Many Coos county stockraisers depend upon corn ensilage rather than hay and that crop will be gathered later in the year.

**Roseburg Shipping Sheep.**  
Roseburg, Or.—More than 1000 sheep were brought here Sunday by George Kohlhaugen, preparatory to being shipped to the San Francisco market. As many more were shipped to California Saturday by Pelton & Seemann, local livestock buyers.

**Maintaining Discipline.**  
"Discipline," said a government official at a dinner in Washington, "naval discipline must be maintained at all cost."

"It was the captain, sir," the sailor answered.

**If you Suffer from Backache, Lumbago, Kidneys or Rheumatism, Take Hot Water and "Anuric."**  
American men and women must guard constantly against kidney trouble, because we eat too much and all our food is rich. Our blood is filled with uric acid which the kidneys strive to filter out, they weaken from overwork, become sluggish; the eliminative tissues clog and the result is kidney trouble, bladder weakness and a general decline in health.  
When your kidneys feel like lumps of lead, when your back hurts or the urine is cloudy, full of sediment, or you are obliged to seek relief two or three times during the night, when you suffer with sick headache or dizzy, nervous spells, acid stomach, or you have rheumatism when the weather is bad, get from your druggist—"ANURIC." Because of uric acid in abundance in the system, backache, pains here and there, rheumatism, gout, gravel, neuralgia and sciatica result. It was Dr. Pierce who discovered a new agent, called "Anuric" which will throw out and eradicate this uric acid from the system. Dr. Pierce believes "Anuric" to be 37 times more potent than lithia, and consequently you need no longer fear muscular or articular rheumatism or gout, or many other diseases which are dependent on an accumulation of uric acid within the body. Send Dr. Pierce, Invalids' Hotel, Buffalo, N. Y., 10c for trial package or \$1.00 for full treatment "Anuric."  
Dr. Pierce's reputation is back of this medicine and you know that his "Pleasant Pellets" for the liver and his "Favorite Prescription" for the ills of women have had a splendid reputation for the past 50 years.

**I OWE MY HEALTH**  
To Lydia E. Pinkham's Vegetable Compound.  
Washington Park, Ill.—"I am the mother of four children and have suffered with female trouble, backache, nervous spells and the blues. My children's loud talking and romping would make me so nervous I could just tear everything to pieces and I would ache all over and feel so sick that I would not want anyone to talk to me at times. Lydia E. Pinkham's Vegetable Compound and Liver Pills restored me to health and I want to thank you for the good they have done me. I have had quite a bit of trouble and worry but it does not affect my youthful looks. My friends say 'Why do you look so young and well?' I owe it all to the Lydia E. Pinkham remedies."—Mrs. ROBT. STOPIEL, Moore Avenue, Washington Park, Illinois.  
We wish every woman who suffers from female troubles, nervousness, backache or the blues could see the letters written by women made well by Lydia E. Pinkham's Vegetable Compound.  
If you have any symptom about which you would like to know write to the Lydia E. Pinkham Medicine Co., Lynn, Mass., for helpful advice given free of charge.
