CHARLES A. BARRETT
Athena, Umatilla County, Oregon

Republican Nominee for State Senator 19th Senatorial District, Comprising Morrow, Umatilla and Union Counties.

Biographical—Native of the State of Maine. Resident of Umatilla County, Oregon for 42 years. Have held the office of Mayor, Councilman and Chairman of Athena and School Director of the Athena district for many years.

Member of the Oregon Legislative Assembly two terms and Senator for the 19th District one term, now a candidate for re-election.

With the experience already had in legislative matters I believe that I can render valuable service to the people of the District and State. Have for many years been engaged in farming and in the farm implement business and know the requirements of the farmer and business man.

State interests—I favor an amended tax law by which the burden of taxation shall be distributed equitably and the time of tax payments fixed at dates when there is ready money in the country, one-half payable May 1st and one-half Nov. 1st in each year without interest or penalty.

I favor such legislation as will assure a lower tax rate and to that end there must be rigid pruning of appropriations and the abandonment or consolidation of public offices and commissions wherever possible.

I favor such amendment to the Corrupt Practices Act as will make it clear, reasonable and effective and give it teeth to punish where its spirit is not observed.

I favor the enactment of such statutes as will insure law enforcement without recourse to martial law.

I also favor the placing of initiative petitions in the hands of the several County Clerks and registration officers of the several precincts and prohibiting the employment of paid circulators. I favor the amendment of the Direct Primary law so that candidates for public office may have the election either to circulate petitions or to pay a reasonable election fee to the County or State as the case may be. The petition is becoming a nuisance to every registered voter.

(Signed.)

CHARLES A. BARRETT.
