Who Deserves Best Service

Every depositor of this bank is entitled to make use of its service facilities.

Depositors who maintain large balances can reasonably expect more service. They have a right to it and they get it. A large balance indicates a sound judgment and business ability that merits the maximum of service from this bank.

It is the average bank balance that you carry that counts most. If you require loans or special service, we look up your average balance and the extent of our service often depends on the average balance that you have maintained in your account.

That is why you benefit by carrying a reasonably large balance. A substantial balance helps you in other ways too for it gives you working capital for any emergencies in which you may need a large amount of such capital.

LOWEST TERMS

MOST folks buy their cars on the installment plan. The General Motors Corporation, with assets of over a Half Billion Dollars and One Hundred and Thirty Million Dollars in cash on hand, with no loans from banks or other outside sources, offers to the public what we believe is the lowest charge possible to obtain anywhere for a purchaser who desires to buy on terms. All Chevrolet Dealers have the General Motors Time Payment Plan available to their customers. If you buy on time, (as most purchasers do) you certainly should investigate and compare General Motors' charges for time financing as against any other. In many instances your present car will be of sufficient value to cover the down payment toward a new Chevrolet.
