USFS July 4 weekend reminder

Pendleton—As you make plans to celebrate America's independence, National Forest employees ask that you remember that fireworks and forests don't mix. Whether you're planning to spend the weekend camping at your favorite campground or enjoying one of several back-country trails or scenic drives, one message remains consistent: Leave your fireworks at home.

Forest regulations prohibit possessing, discharging or using any kind of fireworks, including sparklers and smoke bombs, on National Forest lands. Violators will be fined and, if found responsible for starting a forest fire, can be held liable for costly fire suppression expenses. Also,

forest fuels will dry out quickly so please be careful with campfires, cigarettes and chainsaws.

For more information about the current status of forest campgrounds, trails and roads for the holiday weekend, please contact the Heppner Ranger District at 541-676-9187 or visit the website at www.fs.usda.gov/umatilla.
