Handgun found in vehicle implicated in drive-by shooting

Three people arrested in Hermiston after incident reported in Umatilla

BY SEAN HART
HERMISTON HERALD

Police found a handgun Tuesday evening during a warrant search of a vehicle implicated in a drive-by shooting Sunday.

Umatilla Police Chief Darla Huxel said no one was injured in the shooting on Eighth Street in Umatilla, and several people were arrested soon after in a "brownish" Chevrolet El Camino in Hermiston. She said Felipe Carrera Cisneros, 20, Hermiston, Lalo Murillo, 20, Hermiston, and a 17-year-old male from Washington were taken into custody. After obtaining a warrant to search the vehicle, she said, officers discovered a firearm, which will be sent to the Oregon State Police crime lab for testing.

At 6:35 p.m. Sunday, a 911 caller reported shots were fired from a brown El Camino, and Huxel said officers from Umatilla Police Department

responded. One officer met the caller and made sure no one was injured, she said, and other officers began searching for the vehicle.

Huxel said witnesses indicated three individuals were in an El Camino that turned to follow a male walking along the road, who then "took off running" into a house. "The vehicle followed him," she said. "As they went by the house, they discharged several rounds. No one was hit by any of the rounds."

She said bullets struck the house, a fence and a nearby travel trailer. The suspects then left the area.

With a description of the vehicle, Huxel said UPD put out an attempt to locate bullet to other law enforcement agencies.

Hermiston Police Chief Jason Edmiston said OSP located the vehicle near Old River Road in Hermiston, and two Hermiston Police Department units went to the area to assist. He said OSP initiated a

high-risk traffic stop on Elm Avenue near Highway 395. An OSP trooper deployed a Taser because one of the subjects was not cooperating, he said, and the three suspects were taken into custody.

Edmiston said the HPD officers arrested Murillo at 6:45 p.m., and he was charged with a Class A misdemeanor as a felon in possession of brass knuckles. He said Murillo, Cisneros and the minor were all lodged in the Umatilla County Jail in Pendleton following their arrests.

According to the Umatilla County Sheriff's Office inmate roster, Cisneros is currently facing a felony first-degree attempted assault charge and is being held on \$50,000 bail.

Huxel said the investigation is ongoing.

"We are working with the District Attorney's office," she said. "We'll conduct some more interviews on possible witnesses, and some evidence will be submitted to the crime lab for evaluation. ... It was good that we were able to get that information out to the other agencies and (so was) their quick response in stopping that vehicle."

Good Shepherd Medical Center.

Oregon Health Authority Region Nine Healthcare Liaison Dean Marcum, who organized the exercise, said hospitals are required to perform two of these trainings each year. He said, without the experience gained from these types of simulations, responses to large-scale events would be disorganized.

"This is how we learn," he said.

Hermiston and Stanfield Training Chief Jim Whelan said these exercises help develop relationships between different agencies.

"It's good practice for us," he said. "Hopefully, knock on wood, we'll never get the real thing, but if it happens, we'll be prepared."

Amanda Franklin, 27, Pendleton, who played one of the victims, said she was surprised how much work the first responders must do in these types of incidents, from checking the vital signs to arranging transportation for all of the victims.

"I thought it was a pretty cool experience to see how first responders react, how they handle things," she said. "It was a lot different than TV."
