## SUPPLEMENT.

A petition with sixty-two names from the vicinity of Mayer indicates that the people of Oak Point desire the court house erected as near the railroad as is possible.

Houlton should have a Board of Trade to solicit and encourage immigration. It should invite the manufacturer, the farmer, the miner and the stockman; in fact, it should have an eye out for all classes of good citizens. In other parts of the state, Boards of Trade are doing excellent work in advertising the resources of their community, and the commendable work that they are doing will entitle them to the lasting gratitude of the people of the state as a whole. It is up to the people. Shall we have a Board of Trade?
