

AFTER INVENTORY

Our inventory has disclosed the fact that we are "long" on many items of Merchandise. These are all articles of every day need and we are going to put them on sale at exceptional reductions in order to reduce our stock. The quantities in most cases are not large and at these prices will not last long, so you will have to hurry if you want some of these bargains. Many of these items are not in stock at our Odell Store, but will be taken there on special orders.

A Few Questions For Thinking People

1. Is there anything wrong with your eyes, ears, nose or throat?
2. Have you stomach, liver, kidney or bowel trouble?
3. Have you pains or lumbago, sometimes called "stitch in the back"?
4. Have you rheumatism or any neuralgic pains of any nature?
5. Have you stiff joints or limbs, which you cannot use naturally?
6. Have you female disease, or any disease which relates to sex?
7. Have you any disease that physicians have told you is incurable?
8. Have you any sickness, dislocation, or pain for which you have tried everything without permanent relief?
9. Have you asthma or partial paralysis?
10. If you answer yes to any of these questions, you cannot afford to miss investigating and trying my new methods. They will relieve you of your pain and sickness of any kind and make you well. Investigate.

NOTICE OF CHANGE

Beginning January 1, the name of the
Slocum-Donnerberg Co. will be changed to

THE BOOK & ART STORE

All accounts of the old corporation have been taken over by the new corporation, and must be paid on or before February 1, 1922.

The store under its new management aims to be all that its name implies, a standard book and art store. We will make a specialty of affording our patrons with the best of pictures of Hood River Valley and Mid-Columbia Cascade scenery. We ask your patronage, your hearty cooperation and constructive suggestions.

THE BOOK & ART STORE

HOOD RIVER, OREGON

TO HAY FEEDERS

Besides full stocks in barn, we sell off the car at prices that are right. See us before buying; we will save you money. Cars on track almost daily.

KELLY BROS. CO.

NOT A CANDIDATE SAYS G. R. WILBUR

It appears that those who would support the candidacy of Geo. R. Wilbur for joint senator the current year, have been over hasty. No vacancy occurs in this office the coming year. Senator Nickelsen will hold over as joint senator from the two mid-Columbia counties. Mr. Wilbur, who was recently designated by the Oregon Department, American Legion, to draft an initiative measure, which will place rigid restrictions and prohibitions on the ownership or control by lease of real estate in Oregon, has, however, been approached in an effort to secure his candidacy for representative from Hood River county. He announces at present that he will not be a candidate. Formerly Hood River and Wasco counties had two joint representatives. Under an apportionment made last winter, however, each county is given a single member in the lower house of the legislature.

Steamer Madeline On Run

The steamer Madeline, according to John Coulter, local agent of The Dalles Transportation Co., was put into commission on the Portland-The Dalles run Tuesday. The Madeline and the steamer Iralda will run on alternate days.

The Iralda, taken off the mid-Columbia run just before the Christmas holidays, resumed the run from Portland to The Dalles last week.

Locomotive Derailed at Parkdale

The big Mikado locomotive of the Mt. Hood R. R. Company's line, was derailed by a frozen crossing at Parkdale Saturday. The locomotive completely blocked traffic of the main street of the Upper Valley terminus. It was necessary to send here for another engine to pull it back on the rails.

Marriages Far Exceed Divorces

Hood River marriages the past year reached 73. The total of divorces for the year reached 23. The percentage of divorces the year before was much heavier.

C. E. Graves announces that the Kiser colorgraphs which were on sale at the Book Store during the week before Christmas for the benefit of the Oregon Nature Lovers Club can now be inspected or bought at the office of R. E. Scott under First National Bank. D-9

DEEP SNOWS AUGUR WELL FOR ORCHARDS

While orchardists had begun to fret under the burden of ceaseless snowstorms, they generally agree that the weather conditions of the past seven weeks have set the stage for a bumper apple and strawberry crop next year. The nine and a half feet of snow that have prevailed since winter set in November 18 have melted so gradually that most of the water has seeped into the earth. The precipitation still remains piled to an immense depth in the forested areas of high altitudes. The sleet that prevailed during the November storm drifted into such heaps in places that it is likely that sunshine and warm winds of the entire of next summer will not eradicate them, according to those who are acquainted with high forest conditions. No shortage of irrigation water will exist on the Hood river watershed.

The temperature, reaching a minimum of 11 degrees above zero, and this for only one night in November, has not been sufficiently low to cause any damage to fruit trees, and strawberries have even been protected by the snow blanket.

Riley Congratulates Post

Frank Branch Riley has written to Kent Shoemaker, in charge of the annual Legion ascent of Mount Hood next summer, congratulating the Post on preparations being made for the event. Mr. Riley, who has accepted an invitation to join the climbing party and who will participate in a campfire program the evening before the ascent, writes:

"Any event that receives such careful preparation as you are going your mountain party is assured success. I congratulate the Post on the Christmas and New Year's greeting cards which with as sent out to all parts of the country in announcement of the 1922, July Mount Hood climb."

Park Grange Elects

G. A. Palmiter has been reelected master of the Park grange. Other officers named for the year were: H. C. Wylie, O.; Mrs. John Stranahan, L.; E. M. Lape, Sec.; John Stranahan, Chap.; Arnie Hukari, S.; Geo. Frey, G.; Joe Horn, A. S.; Helia Hukari, L. A. S.; Mrs. Fay Dinsmoor, P.; Dorothy Frey, C.; Grace Reed, F., and V. A. Crow and L. B. Gibson, tied for vote on trustee. A building committee to arrange for construction of a community house for the West Side was named as follows: H. C. Wylie, John Stranahan, Albert Krieg, Aug. Guignard and Robert Frey. A feature of the annual meeting was a basket dinner at noon.

Blue Diamonds Win Again

The Blue Diamond basketball team continues its successful career, last Friday night defeating the high school team by 32 to 16. Ott and Jack Byers played forwards, Folts was center, and guard positions were played by Samuel Wright, and Johnson.

The quietest, undefeated for the season, will meet the White Salmon team at the high school auditorium Wednesday night. As soon as the local gymnasium is available, the local players will stage games with the Multnomah Athletic Association and other Portland teams.
