ODELL CONFERENCE WAS SUCCESSFUL

(By G. A. Weber)

The annual meeting of the ministers of The Dalles district of the Methodist Episcopal church, which was held at the Methodist church at Odell recently, proved to be a great success.

The opening session found most of the visitors present. The committee on reception and entertainment, of which Mrs. Allison Fletcher was chairman, assisted by the members of the church, gave a reception to the visitors which terminated in games and refreshments.

Much favorable comment was heard concerning the four fine meals which the ladies of the church served Tuesday and Wednesday, beside the dainty refreshments Monday evening. Long tables were set in the basement dining room, laden with full course meals of the most substantial character.

The executive committee in charge of the arrangements was composed of J. C. Duckwall, Andrew Weinheimer, Clayton Fletcher and Mrs. Allison Fletcher. Entertainment committee, Mrs. J. E. Ferguson, Mrs. J. H. Fletcher and Mrs. Frank Taylor.

Renew Your Motor's Vitality That old expression of workmen, whose accomplishments on your wares or your machines make them like new again, to use their own expression, is much overworked. But it is a fact that the reboring of cylinders of automobile motors restores them to their normal power. The little increase in the size of the rebored motors does not increase the power, but the fact that the motors are put in the condition in which, presumably, they left the factory, often accounts for what owners justly claim to be a noticeable increase in power. We have the most up-to-date facilities for reboring your cylinders. HOWELL BROS. FOURTH STREET Tel. 2551
