MID-COLUMBIA ATHLETIC MEET SATURDAY

The annual mid-Columbia interscholastic track meet will be held at Gibson field, the Hood River high school athletic grounds, on next Saturday. Teams from Stevenson, Goldendale and White Salmon, Wash., and The Dalles and Hood River high schools will compete. Athletes of the different schools, it is said, will be accompanied by large delegations of rooters, and the total crowd is expected to reach several hundred.

The mid-Columbia schools have sacrificed their baseball schedules this season, in order to devote their time exclusively to track work. Reports from all schools are to the effect that some remarkable talent has been developed. The results of the meet, it is said, will be watched with keen interest by northwestern institutions of higher education, as a majority of the athletes are members of the year's graduating classes and will enter college next fall.

DUCKWALL MAKES ROUTE SUGGESTION

W. S. Duckwall, of Indianapolis, salesmanager of Duckwall Bros., writes that the attendance at the annual convention of the International Apple Shippers Association at Seattle in July will run well over 1,200.

"From talks I have had with the commission travel over parts of my immediate district, ranging from Ohio west to points along the Missouri river, indications all point to a 12 to 21 day trip. With the head of every party, an Association member and expert traveler, definite routings, going and coming, are being arranged for.

"With round trip fares permitting the return journey by a different route, it is ridiculous to suppose that any one interested in the western boxed apples who goes west by way of Wenatchee is not going to return by way of Hood River. They will at least stop over in Portland and visit the valley by way of the Columbia River Highway. Those who route out by way of the Washington districts.

"We suggest, instead of associations, shipping firms, and growers and commercial bodies fighting for special routing of delegates going to the convention, that they bend their energies toward securing straight fare and a half from all roads instead of having all in attendance pay full fare out and then be required to have their tickets validated for half fare back over the same road."

FIKE GIVES FRIENDS MEXICAN LOUPES

Jay Fike, of the Pacific Fruit & Produce Co., who last year sold \$35,000 worth of fruit products in Hood River, was here last week distributing among the trade the first Mexican cantaloupes ever received in Hood River. The melons, selling at 10 per crate, were distributed in considerable quantities in Portland. Among the sales made to local retailers last year by Mr. Fike were 74 cars of watermelons. He declares that he expects to sell 10 cars this year.

"Hood River apple growers," said Mr. Fike, certainly believe in reciprocity. They sell the California melon growers apples in the winter months, and in the summertime they eat melons of the south. Proportionate to population, I do not believe a town on the Pacific coast consumed more melons last year than did Hood River."

Mr. Fike while here remembered the Glacier force with some of his fine Mexican loupes.

Meguire Dairy Scores Highest

While his visit of inspection here the past week was characterized by action in ordering a number of dairies to clean up their premises, State Dairy Inspector Duncan announced that Hood River county should express a pride in the West Side plant of W. H. McGuire.

"I cannot remember when I have scored any Oregon dairy higher than that of Mr. McGuire," said Mr. Duncan. "His premises were in excellent condition and his cows show an excellent treatment."

Mr. McGuire, who now milks six cows, received numerous compliments last year on completing his dairy barn.

"Pop" Elder Sustains Injury

John M. Elder, known to his former University of Oregon friends as "Pop," almost lost a finger Thursday when his right hand came in contact with a rip saw at the Dee Mill of the Oregon Lumber Co., where he is a member of the office force. Except for a bit of skin and flesh, one finger was severed at a joint, and two other fingers were badly cut. He was brought to the Cottage hospital, where the wounds were dressed. Mr. Elder is a member of the University of Oregon chapter of Sigma Chi.

Dee Irrigation Hearing Tomorrow

The county court, which had been petitioned to call an election of land owners of the Dee Flat community vote on establishing an irrigation district there, postponed action in the matter from the regular session of last week until next Friday afternoon. The law requires that the petitioners appear before the court, a formality that the owners overlooked.

The orchardists promoting the irrigation district scheme, propose to purchase the plant of the Dee Power & Irrigation Co., owned by the Oregon Lumber Co.

Lumbago

This is a rheumatism of the muscles of the back. It comes on suddenly and is quite painful. Every movement aggravates the disease. Go to bed, keep quiet and have Chamberlain's Liniment applied and a quick recovery may be expected. Mrs. F. J. Dann, Brockport, N. Y., writes: "I can honestly say that Chamberlain's Liniment cured me of lumbago a year ago last summer. When I began using it, I was flat on my back in bed and could not turn to the left or right. I had a box of Chamberlain's Liniment in the house and this was applied to my back. It promptly drove away the pains and aches."

WENT BACK TO WORK INSTEAD OF TO COLORADO

Burbank Man Says Tanlac Actually Put Him Back On His Feet In Five Days Time.

"It is very seldom I get enthused over anything as much as I am over Tanlac," said W. D. Graves, 121 San Fernando Bldg., Burbank, Calif., a well-known transfer man.

"For five years I was in such a bad fix I could scarcely eat a thing and felt tired and sluggish all the time. I was so nervous the least excitement upset me for hours, and I never got a good night's sleep. Nothing I took seemed to help me, and finally I got so bad I got ready to go to Colorado, hoping that might benefit me.

"But I saw a Tanlac statement which so impressed me I bought a bottle, and in five days felt so much better I actually went back to work instead of going to Colorado. Tanlac has now built me up twelve pounds in weight, and I am a well man. At one time, four members of our family were taking Tanlac, and it has been splendid for all of us."

Tanlac is sold by all good druggists.
