There is now a great rush on for the huckleberry patch and Crater Lake.

A. McCallen has returned from Ashland, where he visited his family for a few days.

The Democrats held primaries in Modoc county August 18th. In Alturas they polled 71 votes.

Dexter Amick and Miss Minnie Reed, of New Pine Creek, were visitors in Lakeview last Friday.

Hudspeth's Lakeview soda will compare favorably with any soft drink manufactured in the large cities.

Last Saturday A. McCallen became the owner of the fine corner lot upon which stood the Hopkins house before the fire. This is considered the best corner lot in Lakeview and has a frontage of 42 feet and is 107½ feet in depth.

Manta McDaniel, who was taken to Reno recently by Dr. Gibson to have a bullet located in his leg by means of the X ray, is now recovering rapidly, the leaden pellet and small portions of clothing having been extracted from the wound.

G. W. Mathews and wife and Charles Kafader and wife, of Bidwell, arrived in Lakeview last Friday en route to Crater Lake. Mr. Mathews is the well-known photographer, and will take some scenic views on the trip. Mr. Kafader is a prominent stockman of Modoc.

**Back into the Fold.**

United States Senator William M. Stewart, of Nevada, has gone back to the Republican fold, and is out with a lengthy statement giving the reasons why he will support McKinley and Roosevelt. He cannot stand Bryan's politics. Among other pertinent things Senator Stewart says:

"The so-called anti-imperialists declared that the policy pursued by the government to put down the rebellion and maintain law and order in all the territories of the United States, without regard to the time when such territories were acquired, was 'imperialism,' and that any use of the army to maintain law and order—however necessary—was 'militarism,' and that giving aid and comfort to rebels in arms against the United States was 'maintaining the principles of the Declaration of Independence.'"

"Col. Bryan has told exactly what he would do with the Philippines, if elected," says a Populist exchange. Yes, and by telling what he would do

Mr. Bryan has driven another nail in his political coffin. Bryan would pull down the American Flag in the Philippines, an act that would be unjust and un-American. However, the American people are not going to give Mr. Bryan that opportunity.

Mr. Bryan thinks the people could safely elect him to the presidency as the Senate is Republican, and it would be impossible for him to do any harm to the country in the next four years. It isn't the country that Mr. Bryan cares a tinker for—it's only Mr. Bryan's interests that he is looking after.

**"Another Instance."**

The Lakeview Examiner reports horses in the vicinity of Alturas as being afflicted with pinkeye. This is another instance of home news coming from abroad.—Alturas Plaindealer.

The "Lakeview Examiner" did not say anything of the kind; so the Plaindealer's remark "is another instance of home news coming from abroad." See?

Post & King lost a big stock in the fire but they have another just as good. Fine liquors and cigars; A. B. C. beer. Under the opera house. 23
